Our Product Disclosure Statement

This policy document is also a Product Disclosure Statement (PDS). A PDS is a document required by the Corporations Act and contains information designed to help you decide whether to buy the policy.

About the available covers

You can choose one of the following covers:

- Comprehensive Cover; or
- Third Party Property Damage Cover Only.

By way of summary only (refer to policy for full terms, conditions, exclusions and limits):

Comprehensive cover – provides cover for:

- Accidental loss or damage to your vehicle up to an agreed value (ie. a set amount we agree with you) or market value (ie. the cost to replace your vehicle with a vehicle of the same make, model, age and condition as your vehicle immediately prior to the loss or damage but excluding costs and charges for vehicle registration, compulsory third party insurance, stamp duty transfer, dealer warranty costs or transfer fees).
- Your legal liability up to \$20 million for each event (including certain legal defence costs), for:
 - damage to other people’s property caused by a motor vehicle accident which is your fault;
 - death or bodily injury caused by or arising out of the use of your vehicle in limited circumstances.
- A number of other additional benefits.
- Certain optional covers (where agreed) such as rental or loan car following an accident, removal of basic excess

for windscreen claims, protected no claim bonus and restricted driver cover.

Note that the restricted driver option provides a discounted premium, but limits the drivers who are covered under the policy.

Third Party Property Damage Cover only – provides cover for:

- legal liability – same as for comprehensive cover, including the additional benefit of legal liability cover for loss or damage to someone else's property while using a substitute vehicle.
- loss or damage to your vehicle arising from an accident caused by the driver of an uninsured vehicle, up to the maximum limit specified.

Understanding your policy and its important terms and conditions

To properly understand this policy's significant features, benefits and risks you need to carefully read:

- about each of the available types of cover and benefits in the relevant sections, including any endorsements (remember certain words have special meanings – see the **Introduction** section);
- **When we will not pay your claim** section (this restricts the cover and benefits);
- **Conditions of cover** and **Making a claim** sections (these set out certain obligations that you and we have. If you do not meet them we may be able to refuse to pay a claim); and
- **Other information** section (this contains important information on your Duty of Disclosure, our privacy policy and our dispute resolution process).

When you apply for the policy by completing our application we agree with you on things such as: the period of insurance;

your premium; what property you want to cover; the limits you want for certain covers (if optional); excesses that will apply to you or others and whether any standard terms need to be varied (this may be by way of an endorsement). These details are recorded in the schedule we issue to you.

When you enter into the policy you confirm and warrant that you have read the policy documents provided to you.

The base premium we charge varies according to your risk profile (e.g. where you live, the type of property being insured, amount of cover required, other persons insured and relevant claims history etc). In some cases discounts may apply if you meet certain criteria we set. You will also have to pay any compulsory government charges (e.g. Stamp Duty and GST and Fire Services Levy where applicable) plus any additional charges we tell you of. We tell you the total amount payable when you apply and if you effect cover, the amounts due will be confirmed in your schedule.

If you pay your premium by instalments refer to the **Conditions of cover** section for important details on your and our rights and obligations. Note that an instalment premium outstanding for 14 days may result in our refusal to pay a claim.

This policy sets out the cover we are able to provide you with. You need to decide if the limits, type and level of cover are appropriate for you and will cover your potential loss. If they are not, you may be underinsured and have to bear part of any loss you are not covered for yourself. To avoid this, people seek to set the sum insured for the relevant property being insured at its estimated replacement value.

You should also read the GST notice to understand how GST is applied to a claim.

If you have any queries, want further information about the policy or want to confirm a transaction, please use the contact details on the back cover.

Cooling off period and cancellation rights

You have a cooling off period of 14 days from the date you purchased your policy. During this period you may cancel your policy and receive a refund of your premium unless:

- a. you have made a claim; or
- b. the period of insurance has ended.

We may deduct from your refund amount any reasonable administrative and transaction costs incurred by us that are reasonably related to you buying and cancelling your policy and any government taxes or duties we cannot recover.

After the cooling off period has ended, you still have cancellation rights (refer to **Conditions of cover section 3. Cancellation rights under the policy** on page 37, for full details).

Updating the PDS

Information in the PDS may need to be updated from time to time. You can obtain a paper copy of any updated information without charge by calling us on the contact details provided on the back cover of this policy document. If the update is to correct a misleading or deceptive statement or an omission, that is materially adverse from the point of view of a reasonable person deciding whether to acquire this policy, we will provide you with a new PDS or a supplementary PDS.

We also aspire to Insurance Industry best practice procedures in all aspects of our business.

What the policy consists of

Your policy consists of:

- this Allianz Prestige Motor Insurance document which sets out details of your cover and its limitations, and
- a schedule, issued by us, which sets out who is insured, the cover(s) selected, the period of insurance, the limits of liability, excesses and other important information. This is referred to as the current schedule in the policy document, and
- any other changes to the standard terms of the policy otherwise notified and agreed by us in writing (e.g by way of an endorsement or supplementary PDS). These changes may vary or modify the above documents.

You should carefully read and retain your insurance policy document and current schedule. These documents should be read together as they jointly form the contract of insurance between you and us. These are all important documents and should be kept in a safe place for future reference. Any new or replacement schedule we may send you, detailing changes to your insurance or the period of insurance, will become the current schedule. We reserve the right to change the terms of the policy where permitted to do so by law.

Our agreement with you

We will insure you for accidental physical loss or damage or legal liability which happens within Australia arising out of the events set out in your policy during the period of insurance.

This cover will be given on the basis:

- that you have paid or agreed to pay us the premium for the cover you have selected when you applied for cover and which the current schedule indicates is in force,
- of the verbal and/or written information provided by you which you gave after having been advised of your Duty of Disclosure either verbally or in writing. If you failed to comply with your Duty of Disclosure, we may be entitled to reduce our liability under the policy in respect of a claim or we may cancel your policy. If you have told us something which is fraudulent, we also have the option of avoiding your policy from the effective date stated in the current schedule.

For your assistance we have provided a full explanation of your Duty of Disclosure and the consequences of non-disclosure, under the heading **Your Duty of Disclosure**, on page 50.

Words with special meanings

Some of the words in your policy have special meanings wherever they appear. These words and their meanings are defined below.

agreed value means the amount which we agree to insure your vehicle up to as shown in your current schedule.

declined driver means a driver, noted in the current schedule as a declined driver who is not insured under your policy.

excess means the amount(s) shown in the current schedule which you must pay when you make a claim under your policy.

market value means the cost to replace your vehicle with a vehicle of the same make, model, age and condition as your vehicle immediately prior to the loss or damage but excluding costs and charges for vehicle registration, compulsory third party insurance, stamp duty transfer, dealer warranty costs or transfer fees.

nominated driver means a driver, noted in the current schedule as a nominated driver, you have advised us will drive your vehicle.

period of insurance means the period of time commencing on the effective date stated in the current schedule and ending on the expiry date stated in the current schedule.

personal effects means personal items owned by you that are designed to be worn or carried, but not:

- cheques, money, credit cards or negotiable instruments, or
- firearms, or
- tools or items used in connection with a business or occupation, or
- personal music devices, or portable Global Positioning Systems (GPS).

recoverable means to recoup the expenses we incurred in providing cover for any accidental loss or damage to your vehicle or in covering any of your legal liability costs after a claimable event. An event that would not be recoverable includes, but is not restricted to, an at-fault claim, a not at-fault claim where you are unable to provide us with the responsible party's name, address and vehicle registration number, any storm or naturally occurring event and a collision with an animal.

Your No Claim Bonus may be affected and an excess may be required for any claimable event that is not recoverable by us, unless otherwise stated in your policy.

substitute vehicle means a vehicle similar to your vehicle which has been hired or borrowed because your vehicle is being repaired, serviced or is not drivable because of a mechanical breakdown.

total loss means when, in our opinion, the vehicle or trailer is so badly damaged that it would not be either safe or economical for us to repair, or when it has not been found within 14 days of you reporting its theft to us.

We will not treat a vehicle as uneconomical to repair if the salvage value to us plus the cost of repairs to us is less than the:

- replacement value – where a total loss gives you the right to a replacement vehicle under the policy, or
- agree value – if your vehicle is insured for an agreed value, or
- market value – if your vehicle is insured for market value, unless otherwise notified to you by us in writing.

vehicle usage means the use of your vehicle, which you have told us about. This is shown on your current schedule. Vehicle usage may be either:

- **business** which means any vehicle which:
 - is registered as a business vehicle, or
 - is used for income earning purposes.
- **private** which means any type of use other than business use.

we, our or us means Allianz Australia Insurance Limited AFS Licence No. 234708 ABN 15 000 122 850 of 2 Market Street, Sydney NSW 2000.

you or your means the person(s) named in the current schedule as the insured.

your vehicle means the registered vehicle shown on your current schedule including:

- its standard tools, modifications and accessories as supplied by the manufacturer,
- its fitted or non-standard extras, modifications and accessories which you have listed on your proposal or given us details of later and which we have accepted and included on the current schedule.

If you have comprehensive cover

Cover for accidental loss or damage to your vehicle

We will cover you for accidental loss (including theft) or damage to your vehicle.

At our option we will:

- a. repair your vehicle; or
- b. pay you the reasonable cost of repairing your vehicle; or
- c. pay you the market value of your vehicle when the current schedule shows that your vehicle is insured for market value; or
- d. pay you the agreed value of your vehicle when the current schedule shows that your vehicle is insured for an agreed value.

The current schedule will show if your vehicle is insured for market value or agreed value.

Further we will adjust your claims payment in accordance with the GST provision shown under the heading **Conditions of cover, GST notice** on page 39.

Replacement of new vehicle after a total loss

If your vehicle was purchased new or as a demonstrator model by you, and becomes a total loss within 3 years of the starting date of the original registration, we will replace your vehicle with a new vehicle of the same make, model and series if such a vehicle is available in Australia.

This benefit will only apply where your vehicle has a load carrying capacity of less than two tonnes and has been insured by this policy within 12 months of its first registration.

If the make, model and series of your vehicle has been superseded with a new make, model and series and a replacement vehicle is not available or we are unable to replace your vehicle, we will offer to replace your vehicle with the new make, model and series provided it is available in Australia, subject to the following exceptions:

- this benefit will not apply to any limited edition;
- this benefit will not apply to any model that has been discontinued.

If a replacement vehicle is not currently available, we will pay you either the market value or agreed value of your vehicle, whichever is shown in the current schedule.

If we replace your vehicle, this policy will continue to cover your new replacement vehicle until the end of the period of insurance. We will not require you to pay any additional premium for this cover.

We will also pay for the on-road costs (including 12 months registration and compulsory third party insurance) of the new vehicle if you pay us any refund amount obtained from your registration and compulsory third party insurance on the replaced vehicle.

Cover for damage to other people's property (legal liability)

We will cover your legal liability to pay compensation for loss or damage to someone else's property caused by a motor vehicle accident which is partly or fully your fault.

This cover will apply if your legal liability for loss or damage to someone else's property arises out of the use of:

- a. your vehicle; and/or
- b. a caravan or trailer towed by your vehicle.

We will also cover the legal liability for loss or damage to someone else's property of:

- c. any person who is driving, using or in charge of your vehicle with your permission;
- d. a passenger travelling in your vehicle or who is getting into or out of your vehicle;
- e. your employer, principal or partner arising from your use of your vehicle.

We will not cover legal liability:

- a. when the loss or damage occurs to your own property, your spouse's or de facto's property or to property which is in your possession, custody or control; or
- b. which is insurable under any statutory or compulsory insurance policy or any statutory or compulsory insurance or compensation scheme or fund covering such legal liability.

No cover for legal liability after a total loss

On the date we confirm that we will pay your claim for the total loss of your vehicle, all cover under the policy in respect of that vehicle will cease except where a replacement vehicle is provided by us.

Additional cover for supplementary bodily injury (legal liability)

We will also cover you, or a currently licensed driver of your vehicle driving the vehicle with your consent, for legal liability for death or bodily injury caused by or arising out of the use of your vehicle, if your vehicle is registered for use on a public road when the liability is incurred, from one or more of the following events:

- driving or being in charge of your vehicle or a substitute vehicle,
- goods being carried by or falling from your vehicle or a substitute vehicle,
- loading or unloading your vehicle or a substitute vehicle.

We will also cover the legal liability of a passenger travelling in or getting into or out of your vehicle with your permission, or the permission of a currently licensed driver driving or in charge of your vehicle with your consent.

We will not pay:

1. if the event or series of related events that gives rise to the legal liability or any part of it is covered or indemnified in any way by any:
 - statutory or compulsory insurance policy or any statutory or compulsory insurance, or
 - compensation scheme or fund,even if the amount recoverable is nil.
2. any amount of a claim over that recoverable under any:
 - statutory or compulsory insurance policy or any statutory or compulsory insurance, or
 - compensation scheme or fund.
3. if the legal liability would have been covered or indemnified in any way if you had not failed to:
 - insure your vehicle,
 - register your vehicle, or
 - comply with the requirements of any statutory or compulsory insurance policy or any statutory or compulsory insurance or compensation scheme or fund.
4. for legal liability to any:
 - person driving or in charge of your vehicle,
 - of your employees, or
 - member of your family.
5. for legal liability in respect of any psychological or psychiatric injury (other than to the extent that it is directly caused by or arises from serious physical bodily

injury of the person who suffers the psychological or psychiatric injury).

6. unless you or the person claiming under this section have notified us of a claim under this section within 6 months of you or that person first becoming aware of an intention to make a claim against you or that person.
7. for legal liability caused by or arising from an intentional act by you or any other person.
8. any amount of exemplary, punitive or aggravated damages.

Policy options

Your current schedule will show which, if any, of the following policy options apply. Depending on the policy options selected, your premium may have been increased or reduced.

1. Rental or loan car following an accident

When the current schedule shows that the rental or loan car following an accident option applies and we accept a claim for accidental damage, we will:

- a. provide you with a rental or loan car; or
- b. if a rental or loan car is not available, pay you a daily travel allowance of \$50.

The rental or loan car benefit will be provided from:

- the date repairs to your vehicle are authorised, or
- the date your vehicle is made available for repairs to be commenced,

whichever is the later.

The maximum daily rental charge we will pay is \$100.

We will provide the rental or loan car benefit:

- for a maximum period of 21 days, or
- until the repairs have been completed, or
- until we settle your claim by paying you the agreed value or market value,

whichever happens first.

We will not pay for:

- a rental or loan car unless its hire has been arranged by us or approved by us,
- the cost of fuel used while driving the rental or loan car, or
- any accidental loss or damage to the rental or loan car.

Additionally, as part of this Rental car following an accident option we will reimburse you up to \$3000 in total for any excess or security bond you have to pay under your rental car agreement because there is accidental loss of or damage to the rental car or because it causes some loss or damage.

2. Removal of basic excess for windscreen claims

When the current schedule shows that the removal of basic excess for windscreen claims option applies, if the windscreen or window glass in your vehicle is accidentally broken or damaged, we will not apply an excess to your claim.

This option only applies:

- to one claim for a windscreen or window glass replacement plus two windscreen or window glass repairs in any period of insurance; and
- if the broken windscreen or window glass is the only damage to your vehicle.

Your no claim bonus entitlement is not affected if your claim is only for the cost of repairing or replacing the windscreen or window glass in your vehicle if it is accidentally broken or damaged.

3. Protected no claim bonus

When the current schedule shows that protected no claim bonus option applies, we will not reduce your current no claim bonus entitlement for the first claim in any one period of insurance which is your fault or where the responsible party cannot be identified.

4. Restricted drivers

When the current schedule shows that the restricted driver option applies we will not cover any accidental loss, damage or liability, which results in a claim, when the driver of your vehicle was a person under 30 years of age.

We will not refuse to pay your claim if the driver of your vehicle:

- a. was found guilty of theft or illegal use of your vehicle;
- b. was a person paid by you to repair, service or test your vehicle; or
- c. was an attendant at a car park.

5. Tools of trade

When we accept a claim for accidental damage (including theft) under this policy, we will also cover accidental loss or damage to tools of trade, trade stock and materials.

This option only applies:

- if the tools of trade, trade stock or materials are stolen via forcible and violent entry to your securely locked vehicle and/or tool box, permanently fixed to your vehicle; or
- if tools of trade, trade stock or materials are damaged as a result of a motor vehicle collision.

The maximum we will pay is the amount by which the cost to replace tools of trade, trade stock and materials exceeds the basic excess payable for the claim, up to a maximum amount of \$1,500 for any one claim.

Only one basic excess is applicable to any one claim event and only the basic excess is applicable to this Tools of Trade policy option.

How you earn a no claim bonus

For each claim free period of insurance, you will accumulate a discount off your next motor vehicle insurance premium up to a maximum amount. This maximum amount will vary according to the State or Territory in which your vehicle is garaged/kept. Any no claim bonus entitlement you hold with another insurance company is transferable. You may be required to provide documentary evidence of your current no claim bonus entitlement.

Premiums are calculated prior to a no claim bonus discount being applied. The premium for a policy may increase if affected by a claim, regardless of whether the no claim bonus discount amount is altered.

If you have third party property damage cover only

Cover for damage to other people's property (legal liability)

We will cover your legal liability to pay compensation for loss or damage to someone else's property caused by a motor vehicle accident which is partly or fully your fault.

We will also cover the legal liability of a passenger travelling in or getting into or out of your vehicle with your permission, or the permission of a currently licensed driver driving or in charge of your vehicle with your consent.

 - statutory or compulsory insurance policy or any statutory or compulsory insurance, or
 - compensation scheme or fund,even if the amount recoverable is nil.
2. any amount of a claim over that recoverable under any:
 - statutory or compulsory insurance policy or any statutory or compulsory insurance, or

4. Keeping evidence of the value of the insured property

You should keep evidence of the value of all property covered under your insurance policy. You should also keep evidence of the amount of any accidental loss, damage or destruction.

5. Premium payment by direct debit

You may have chosen to pay the premium for this insurance by direct debit from a financial institution holding your account or your credit card account. If you choose this option, the financial institution may dishonour the direct debit payment due to lack of funds in your account. If this occurs, we may charge you for any direct and indirect costs which we incur arising from the payment being dishonoured.

6. Prevention of loss or damage

We may not pay your claim if you do not take all reasonable precautions to prevent injury, loss or damage, including securing your vehicle against unauthorised entry when it is unattended. This includes removing your keys and locking the vehicle and ensuring all security and tracking devices are active and maintained. It is a condition of this policy that your vehicle be kept in good repair.

7. GST notice

This policy has a GST provision in relation to premium and our payment to you for claims. It may have an impact on how you determine the amount of insurance you need. Please read it carefully. Seek professional advice if you have any queries about GST and your insurance.

Sums insured

All monetary limits in this policy may be increased for GST in some circumstances (see below).

Claim settlements – where we agree to pay

When we calculate the amount we will pay you, we will have regard to the items below:

- Where you are liable to pay an amount for GST in respect of an acquisition relevant to your claim (such as services to repair a damaged item insured under the policy) we will pay for the GST amount.

We will pay the GST amount in addition to the sum insured/limit of indemnity or other limits shown in the policy or in this schedule.

If your sum insured/limit of liability is not sufficient to cover your loss, we will only pay the GST amount that relates to our settlement of your claim.

We will reduce the GST amount we pay for by the amount of any input tax credits to which you are or would be entitled.

- Where we make a payment under this policy as compensation instead of payment for a relevant acquisition, we will reduce the amount of the payment by the amount of any input tax credit that you would have been entitled to had the payment been applied to a relevant acquisition.
- Where the policy insures business interruption, we will (where relevant) pay you on your claim by reference to the GST exclusive amount of any supply made by your business that is relevant to your claim.

Disclosure – Input tax credit entitlement

If you register, or are registered, for GST you are required to tell us your entitlement to an input tax credit on your premium. If you fail to disclose or understate your entitlement, you may be liable for GST on a claim we may pay. This policy does not cover you for this GST liability, or for any fine, penalty or charge for which you may be liable.

Making a claim

What you must do

We may not pay your claim if you do not act as follows:

1. Do not admit liability

You must not:

- a. admit guilt or liability, or make a promise or offer of payment in connection with any claim; or
- b. offer or agree to settle any claim, without our written consent.

We are entitled to take over and conduct the defence of any claim made against you for damages by a third party. We have full discretion in conducting any negotiations, proceedings and the settlement of claims.

If the claim is for legal liability, you may make a written request to us to agree that you are covered in respect of the claim.

2. Prevent further damage

You must take all reasonable precautions to prevent any further loss, damage or liability.

3. Contact the police

Depending on the laws of the State or Territory in which the accident occurs, you must:

- a. contact the police if any person was injured as a result of the accident;
- b. request the police to attend the scene of the accident;
- c. go to the local police station to complete a 'Self Reporting Collision Form' if the police inform you that it is not necessary for them to attend the scene of the accident.

You must contact the police immediately if your car is stolen or maliciously damaged.

4. Contact us as soon as possible

If there is any accidental loss, damage or liability which is likely to result in a claim, you must give us immediate notice with the full details of any accidental loss, damage or anticipated or alleged liability.

You or your representative must give us full details in the manner we request which will be either:

- a. verbally; or
- b. in writing by completing our claim form which will be supplied to you when you contact us

The process for authorising repairs to your vehicle is explained on page 46 under **Authorising repairs**.

Any correspondence you receive regarding the accident or event must be sent to us immediately. You must advise us immediately of:

- a. any notice of impending prosecution;
- b. details of any inquest or official enquiry.

What happens after you make a claim

1. Excess

An excess is the amount(s) shown in the current schedule which you must pay when you make a claim under your policy unless we state an excess does not apply. The payment of an excess helps to keep the cost of your premium down by reducing the number of small claims. There are different types of excess which may apply to you or the driver of your vehicle at the time of the claim. The excess types are shown on the current schedule under the heading **Excess applicable to claims**. These are:

a. Basic excess

The basic excess is the first amount you must pay on each claim. The amount of the basic excess will be shown on the current schedule beside the heading **Basic excess**. The **Basic**

excess is comprised of the **Minimum basic excess**, the **Voluntary excess** and any policy **Imposed excess**.

- **Minimum basic excess**
The minimum excess that is due on your policy risk for each claim. The amount of the minimum basic excess will be shown on the current schedule.
- **Voluntary excess**
The voluntary excess forms part of the basic excess. Choosing a voluntary excess allows you to reduce your premium by selecting a higher basic excess. The voluntary excess you choose will be shown on the current schedule.
- **Imposed excess**
The imposed excess forms part of the basic excess. An imposed excess may be applied to a policy risk due to underwriting criteria. Any imposed risk excess amount will be shown on the current schedule.

b. Age excess

If you make a claim for an accident when your vehicle was being driven by a driver under the age of 25, you must pay the age excess shown in the current schedule in addition to the basic excess.

c. Undeclared young driver excess

If you make a claim for an accident when your vehicle was being driven by a driver under the age of 25, who was not listed in your current schedule, the undeclared young driver excess shown on the schedule must be paid in addition to the basic excess and age excess.

You will not have to pay an undeclared young driver excess if the driver:

- was found guilty of the theft or illegal use of your vehicle,
- had been paid by you to repair, service or test your vehicle, or
- was an attendant at a car park, or

- was a learner driver accompanied by the holder of a full unrestricted Australian drivers licence.

d. Inexperienced driver excess

You will need to pay the inexperienced driver excess shown on your current schedule in addition to the basic excess payable if you make a claim for an accident when your vehicle was being driven by a driver over the age of 25 who has not held an Australian driver's licence for more than 2 years.

You will not have to pay an inexperienced driver excess if the driver:

- was a learner driver accompanied by the holder of a full unrestricted Australian drivers licence.

e. Theft excess

If you make a claim for loss or damage caused by or arising from theft or attempted theft of your vehicle, you must pay the theft of vehicle excess shown in your current schedule in addition to all other excesses shown in your current schedule.

f. Driver excess

When your current schedule shows there is a driver excess on the policy, then the driver excess will be applied to any claims which occur whilst the vehicle is being driven by the person listed. This excess is in addition to all other excesses applicable to your policy.

When you do not have to pay an excess

You will not have to pay any excess if:

- the claim relates to damage, that we agree, was the fault of a person, other than the driver of your car, at the time of the incident, and
- you can provide us with the name and contact details of the other person, and
- the claimable loss is recoverable by us.

In the event that the fault of the incident, which gave rise to the claim, is in dispute, you will be required to pay the excess and the excess will be refunded if we are successful in establishing the fault of the other person.

You will not have to pay any age (young driver), undeclared young driver or inexperienced driver or driver excess if you are claiming for any of the following:

- windscreen or window glass damage only;
- theft;
- hail, storm or flood damage;
- malicious damage; or
- damage to your vehicle while parked.

2. No claim bonus

Your no claim bonus entitlement will not be affected if:

- a. the driver of your vehicle at the time of the accident did not contribute to the cause of the accident; or
- b. your vehicle was damaged while parked,

and for both circumstances you supply us with the:

- a. name, address and licence number of the responsible party, and
- b. registration number of the other vehicle(s) involved in the accident; or
- c. the claimable loss is recoverable by us, or
- d. your claim relates to the cost of repairing or replacing the windscreen or window glass in your vehicle if it is accidentally broken.

Premiums are calculated prior to no claim bonus discount being applied. The premium for a policy may increase if affected by a claim, regardless of whether the no claim bonus discount amount is altered.

3. Deciding who is at fault

We will be solely responsible for deciding whether you contributed to the cause of an accident.

4. Choice of repairer

Allianz can assist you in selecting a suitable repairer to repair the damage to your vehicle; however you also have the right to choose your own repairer. In both instances we will work closely with the repairer to strive to achieve the best repair outcome for you however we may require a second quotation from a repairer chosen by us. We will then choose (subject to any relevant policy limits) to:

- authorise the repairs at your repairer of choice;
- pay you the reasonable cost of repairing your vehicle; or
- move your vehicle to a repairer we both agree will repair your vehicle. In the instance that we both agree to move your vehicle we will provide you with a rental car for up to 3 days in addition to any other benefit provided under your policy.

5. Authorising repairs

- a. Where you have comprehensive cover you may only authorise emergency repairs as detailed on page 20 under **Emergency repairs**. You cannot authorise further repairs to your vehicle without our prior consent.
- b. Before we make a decision regarding your claim and repairs to your vehicle, we may need to inspect your vehicle. A motor vehicle assessor will be appointed by us. We or our assessor will make the necessary arrangements with you.
- c. Where diagnosis (such as the stripping of engine) is required to determine if there has been an accident covered by this policy, if you or we incur costs for such diagnosis and reassembly and:

- the claim is subsequently accepted as valid by us, we will bear these costs subject to sum insured/ limits of liability; and
- if the claim is not lodged or the claim is not subsequently accepted by us, you agree to pay for the diagnosis and reassembly costs.

6. Spare parts, extras and accessories

If we are unable to repair the part, we use new, recycled or reconditioned parts that meet the requirements of Australian Design Rules (ADR). If such parts are not available or appropriate, parts from alternative distribution channels may be used.

We will not pay any amount greater than the maker's last list price in Australia (together with a reasonable charge for fitting) for the supply of any spare part, extra or accessory. In the event that any spare part, extra or accessory cannot be obtained immediately, we may choose to pay you the value of the spare part, extra or accessory (together with a reasonable charge for fitting) rather than supply the spare part, extra or accessory.

7. Sublet repairs

If your vehicle requires us to engage the services of a specific specialist repairer and/or supplier we may sublet that component to such repairer or supplier.

8. Guarantee and warranty

We guarantee materials and workmanship on repairs we authorise for as long as you own or lease your vehicle. This guarantee is not transferable.

9. Assist us with your claim

You must assist us with your claim. This means give us all the information and assistance with your claim which we may reasonably require. If you do not we may not pay your claim or provide cover.

If we have the right to recover any amount payable under this policy from any other person, you must co-operate with us in any action we may take.

10. Our rights of recovery

- a. We have the right to recover from any person, in your name, the amount of any claim paid under this policy and we have full discretion in the conduct, settlement or defence of any claim in your name. If we recover more than the amount we have paid to you or on your behalf, we will pay you the balance.
- b. The amount of excess you have paid will only be refunded when we have recovered the total amount we have paid under your claim, unless we have agreed otherwise.

If your vehicle is a total loss and we have agreed to pay the market value or agreed value for your vehicle:

- the wreckage of your vehicle will become our property, and
- we will keep the proceeds of any salvage sale.

12. Payment of unpaid premium when your vehicle is a total loss

If your vehicle is a total loss and we have agreed to pay the market value or agreed value for your vehicle:

- the amount of any unpaid premium for the period of insurance will be deducted from the amount payable to you, and
- if we are replacing your vehicle, you must pay us the balance of any unpaid premium or instalments for the period of insurance.

13. No return of premium after a total loss

If your vehicle is a total loss and we have agreed to pay the market value or agreed value for your vehicle, no return of premium will be made for any unused portion of the premium.

14. GST

We will adjust your claims payment in accordance with the GST provision noted under **Conditions of cover, GST notice** on page 39.
