General Information

The General Information set out below is provided for your information only. It does not form part of the insurance contract with you, and is not part of the policy.

Nothing contained in the General Information imposes contractual obligations on you, or creates contractual rights. These are contained in the policy and any endorsement.

Claims made

The Management Liability Section of the policy operates on a "claims made and notified" basis. This means that the section covers you for claims as defined in the Management Liability Section made against you and notified to us during the period of insurance.

The Management Liability Section does not provide cover in relation to:

- acts, errors or omissions actually or allegedly committed prior to the retroactive date of the policy (if such a date is specified);
- claims made after the expiry of the period of insurance even though the event giving rise to the claim may have occurred during the period of insurance;
- claims notified or arising out of facts or circumstances notified (or which ought reasonably to have been notified) under any previous policy;
- claims made, threatened or intimated against you prior to the commencement of the period of insurance;
- facts or circumstances of which you first became aware prior to the period of insurance, and which you knew or ought reasonably to have known had the potential to give rise to a claim under this policy section;
- claims arising out of circumstances noted on the proposal form for the current period of insurance or on any previous proposal form.

Where you give notice in writing to us of any facts that might give rise to a claim against you as soon as reasonably practicable after you become aware of those facts but before the expiry of the period of insurance, and provided the claim would otherwise be covered under the policy, you have rights under Section 40(3) of the Insurance Contracts Act 1984 (Cth) to be indemnified in respect of any claim subsequently made against you arising from those facts notwithstanding that the claim is made after the expiry of the period of insurance. Any such rights arise under the legislation only. The terms of the policy section and the effect of the policy section is that you are not covered for claims made against you after the expiry of the period of insurance.

Please note that the above may be affected by any defined discovery period where applicable which may extend time for notification of a claim as defined.

- decide whether this insurance will meet Your needs; and
- compare it with other products You may be considering.

Please note that any recommendation or opinion in this document is of a general nature only and does not take into account Your objectives, financial situation or needs.

You need to decide if this insurance is right for You and You should read all of the documents that make up the Policy to ensure You have the cover You need.

Preparation date: 01/08/2021.

Our contract with You

Where We agree to enter into a Policy with the Insured it is a contract of insurance between Us and the Insured. The Policy consists of:

- this document which sets out the standard terms of Your cover and its limitations;
- Your current Schedule issued by Us. The Schedule is a separate document, which shows the insurance details relevant to You. It may include additional terms, conditions and exclusions relevant to You that amend the standard terms of this document. Only those Sections shown as covered in Your Schedule are insured; and
- any other change to the terms of the Policy otherwise advised by Us in writing (such as an Endorsement or Supplementary PDS) before You enter into the Policy or where required or permitted by law. These written changes may vary or modify the above documents.

These are all important documents and should be carefully read together and kept in a safe place for future reference.

We reserve the right to change the terms of the Policy where permitted to do so by law.

Any new or replacement Schedule We may send the Insured, detailing changes to Your insurance or the Period of Insurance, will become the current Schedule, which You should carefully read and retain.

Understanding Your Policy and its important terms and conditions

To properly understand the significant features, benefits and risks of this insurance You need to carefully read:

- about each of the available cover types and benefits in the relevant Section of the Policy (the standard cover provided under each Section can be affected by the following);
- the rest of this "Introduction" section – this sets out how You apply for cover, the basis on which We insure You, the duty of disclosure You need to meet before We insure You, Our privacy information, Our dispute resolution procedures and other important information;

- the "General definitions" section – this sets out what We mean by certain words used in the Policy. These words begin with a capital letter throughout this document. Each Section may also contain definitions relevant to that Section of the Policy;
- the "General exclusions" section – this sets out the general exclusions and limits that apply to all covers and benefits;
- the "General terms and conditions" section – this sets out certain general rights and obligations that You and We have;
- all of the documents that make up the Policy, including the Schedule and any Supplementary PDSs or Endorsements or other written changes to the cover We issue You with before You enter into the Policy or where required or permitted by law – these contain specific details relevant to You and can affect the cover.

Headings are provided for reference only and do not form part of Your Policy for interpretation purposes.

Applying for cover

When You apply by completing Our application process You need to provide the information We require to determine whether to issue a Policy and if so, on what terms, including (to the extent they are optional):

- the covers and benefits You want (including the property You wish to cover);
- the limits You want;
- the Period of Insurance You want;
- whether You want any third parties to be noted as having an interest;
- the Excesses that You want to contribute for certain claims;
- whether any standard terms need to be varied (this may be by way of an Endorsement).

Where We agree to issue a Policy, cover is provided on the basis:

- that You have paid or agreed to pay Us the Premium for the cover provided;
- of the verbal and/or written information provided by You which must have been given in accordance with Your duty of disclosure.

If You fail to comply with Your duty of disclosure, We may be entitled to refuse or reduce Our liability under the Policy in respect of a claim to the extent Our interests are prejudiced by Your failure to comply with the duty of disclosure and/or We may cancel the Policy. If You have told Us something which is fraudulent, We also have the option of avoiding the Policy (i.e. treating it as if it never existed).

Your duty of disclosure and the consequences of nondisclosure, are provided under the heading "Your Duty of Disclosure".

Cooling off period

We will refund all Premium paid for cover under the Policy, less any government taxes or duties that are non-refundable or remain payable by Us if You request cancellation of the Policy within 14 days of its commencement. To do this, You must advise Us in writing. You will not receive a refund if You have made or are entitled to make a claim under the Policy.

After the cooling off period has ended, You still have cancellation rights, however We may deduct a pro rata proportion of the Premium for time on risk, plus all or part of any government taxes, levies or duties. In the event that You have made a claim under the Policy and We have agreed to pay the full Sum Insured for Your Property Insured or Limit of Indemnity, no return of Premium will be made. (Refer to "General terms and conditions – 5. Cancellation rights" of the Policy on page 20 for full details).

What is covered

Where We have entered into a Policy with You, We will insure You for:

- loss or Damage caused by one or more of the covered insured events; and
- the other covered benefits, as set out in the Policy occurring during the Period of Insurance.

Other persons may be entitled to cover, but only if specified as so entitled and limited only to the extent and interest specified.

Some words have special meanings

Certain words used in the Policy have special meanings. The "General definitions" section of this document on pages 12 to 15 contains such terms. In some cases, certain words may be given a special meaning in a particular Section of the Policy when used or in the other documents making up the Policy.

GST Notice

The Policy has a GST provision in relation to Premium and Our payment to You for claims. It may have an impact on how You determine the amount of insurance You need. Please read carefully. Seek professional advice if You have any queries about GST and Your insurance.

Sums Insured

All monetary limits in the Policy may be adjusted for GST in some circumstances (see below).

Claim settlements – Where We agree to pay

When We calculate the amount We will pay You, We will have regard to the items below:

Acquisition of goods, services or repairs

Where You are liable to pay an amount for GST in respect of an acquisition relevant to Your claim (such as services to repair a Damaged item insured under the Policy) We will pay the GST amount.

We will pay the GST amount in addition to the Sum Insured or Limit of Indemnity or other limits shown in the Policy or in the Schedule (unless We state GST is included in Sum Insured or Limit of Indemnity).

If Your Sum Insured or Limit of Indemnity is not sufficient to cover Your loss, We will only pay the GST amount that relates to Our settlement of Your claim.

We will reduce the GST amount We pay by the amount of any input tax credits to which You are or would be entitled.

Payment as compensation

Where We make a payment under the Policy as compensation instead of payment for a relevant acquisition, We will reduce the amount of the payment by the amount of any input tax credit that You would have been entitled to had the payment been applied to a relevant acquisition.

Where the Policy insures business interruption, We will (where relevant) pay You on Your claim by reference to the GST exclusive amount of any supply made by Your Business that is relevant to Your claim.

Disclosure – Input tax credit entitlement

If You register, or are registered, for GST You are required to tell Us Your entitlement to an input tax credit on Your Premium. If You fail to disclose or You understate Your entitlement, You may be liable for GST on a claim We may pay. The Policy does not cover You for this GST liability, or for any fine, penalty or charge for which You may be liable.

Your obligation to comply with the Policy terms and conditions

You are required to comply with the terms and conditions of the Policy. Please remember that if You do not comply with any term or condition, We may to the extent We are prejudiced by Your non-compliance, decline or reduce any claim payment and/or cancel Your Policy.

If more than one person is insured under the Policy, a failure or wrongful action by one of those persons may adversely affect the rights of any other person insured under the Policy.

How to make a claim

If You need to make a claim under the Policy, please refer to "Claims procedure and conditions" from page 18.

How We settle claims

Where We agree to reinstate or replace Damaged property, We will replace Your property with new goods or repair it using new materials. If You ask for a cash settlement instead, We will deduct an amount for wear, tear and depreciation. This amount depends on the age of the Damaged item and the expected useful life.

If You replace an item without Our authority, We will pay You the reasonable cost of replacing it. More details around how We settle claims are provided in this document under the Basis of Settlement sections within each Section.

How We calculate Your Premium

The amount of Your Premium is determined by taking a number of different matters into account. You can seek a quote at any time.

It is important for You to know in particular that the Premium varies depending on the information We receive from You about the risk to be covered by Us. The higher the risk is (e.g. high claims experience), the higher the Premium will be. Based on Our experience and expertise as an insurer, We decide what factors increase Our risk and how they should impact on the Premium.

We calculate Your Premium on the basis of information that We receive from You when You apply for the insurance. Some factors impacting Premiums include:

- Your nominated Sum Insured/Limit of Indemnity;
- where Your Business is situated;
- the materials used in the construction of Your Building(s);
- the nature of Your Business;
- security measures used for Your Property Insured (e.g. alarms, deadlocks); and
- any additional Excess You nominate to pay above Our basic Excess. This means that when You purchase a Policy You may elect to take a higher Excess in the event of a claim, which will reduce the cost of Your Premium. If You are interested in this, You should ask Your intermediary or Us to supply You with quotes based on differing amounts of Excesses.

Your Premium also includes amounts that take into account Our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty, GST, Emergency and Fire Services Levy) in relation to Your Policy. These amounts will be set out separately on Your Schedule as part of the total Premium payable.

In cases where We are required to pay an estimated amount (e.g. for Fire Services Levies) based on criteria set by the Government, We allocate to the Policy Our estimate of the amount We will be required to pay. We may over or under recover in any particular year but We will not adjust Your

Premium because of this. You can ask Us for more details if You wish.

Minimum premiums prior to charges may apply. In some cases, discounts may apply if You meet certain criteria We set. Any discounts/entitlements only apply to the extent any minimum premium is not reached. If You are eligible for more than one, We also apply each of them in a predetermined order to the Premium (excluding taxes and government charges) as reduced by any prior applied discounts/entitlements. Any discounts will be applied to the base premium calculated prior to any taxes being added.

When You apply for this insurance, You will be advised of the total Premium amount payable, when it needs to be paid and how it can be paid. This amount will be set out in the Schedule, which will be sent to You after the entry into the Policy. If You fail to pay We may reduce any claim payment by the amount of Premium owing and/or cancel the Policy in accordance with the process set out in the "Cancellation rights" section. Special rights and obligations apply to instalment Premium payments as set out below.

Paying Your Premium

You must pay Your Premium by the due date. If We do not receive Your Premium by this date or Your payment is dishonoured, We may be entitled to reduce or refuse to pay a claim and cancel the Policy in accordance with the process set out in the "Cancellation rights" section.

Premium payment by direct debit

You may have chosen to pay the Premium for this insurance by direct debit from a financial institution holding Your account. If You choose this option, the financial institution may dishonour the direct debit payment due to lack of funds in Your account. If this occurs, We will charge You for any direct and indirect costs which We incur arising from the payment being dishonoured.

Instalment premiums

If You pay Your Premium by instalments refer to the "General terms and conditions" section for important details on Your and Our rights and obligations.

In some cases a service fee will apply where You select to pay Your Premium by instalments. We tell You the total amount payable when You apply and when and how it can be paid. This is confirmed in the Schedule We issue to You.

If You pay Your Premium by way of instalments, You must ensure that they are paid on time. We will notify You if an instalment has not been paid and We will try to deduct the overdue amount along with Your next regular payment. If the next attempt to deduct the outstanding amount fails, We will cancel Your Policy for non-payment. We will send You a notice advising you of cancellation, and cancellation will be effective 14 days from the date on this notice.

Renewal procedure

Before Your Policy expires We will advise You whether We intend to offer renewal and if so on what terms.

This document also applies for any offer of renewal We may make, unless We tell You otherwise.

It is important that You check the terms of any renewal offer before renewing to satisfy Yourself that the details are correct. In particular, check the Sum Insured amounts and Excess(es) applicable and to ensure the levels of cover are appropriate for You.

Please note that You need to comply with Your duty of disclosure before each renewal (see below).

Each renewal is a separate Policy, not an extension of the prior Policy.

Automatic renewal

Where You pay Your Premium by instalments, or have otherwise authorised Us to deduct Your Premium by direct debit to Your nominated account/credit card, We will send You a renewal notice at least 14 days prior to the expiry of the Policy advising if We are prepared to offer renewal, and on what terms and whether We will automatically renew the Policy or not.

Where You receive a renewal offer, You must tell Us if the information contained in it is incorrect or incomplete and You must comply with Your "Duty of Disclosure". If You do not We may reduce or refuse to pay a claim or cancel the renewed policy.

If nothing needs to be disclosed and You are happy with the renewal offer terms and conditions, You do not have to do anything as We will automatically renew based on those terms and conditions and deduct/charge the new renewal Premium from Your nominated account/credit card, unless You tell Us not to.

Should You not wish to take up the automatic renewal offer You must contact Us prior to the renewal to advise Us.

Your Duty of Disclosure

Before You enter into a contract of insurance with Us, You have a duty under the Insurance Contracts Act 1984 to disclose to Us every matter that You know, or could reasonably be expected to know, is relevant to Our decision whether to accept the risk of the insurance and, if so, on what terms.

You have the same duty to disclose those matters to Us before You renew, extend, vary or reinstate the contract. This Duty of Disclosure applies until the contract is entered into (or renewed, extended, varied or reinstated as applicable).

Your duty however does not require disclosure of any matter:

- that diminishes the risk to be undertaken by Us; or
- that is of common knowledge; or
- that We know or, in the ordinary course of Our business as an insurer, ought to know; or
- as to which compliance with Your duty is waived by Us.

Non-disclosure

If You fail to comply with Your duty of disclosure, We may be entitled to reduce Our liability under the contract in respect of a claim, cancel the contract or both.

If Your non-disclosure is fraudulent, We may also have the option of avoiding the contract from its beginning.

Agency arrangements and agent's remuneration

Terrorism Insurance Act

We have determined that the Policy (or part of it) is a Policy to which the Terrorism Insurance Act 2003 applies.

We may elect to reinsure part or all of Our liability under the Act with the Commonwealth Government reinsurer, the Australian Reinsurance Pool Corporation (ARPC).

As a consequence, We may be required to pay a premium to ARPC and that amount (together with the cost of that part of the cover provided by Us and administrative costs associated with the legislation) is reflected in the Premium charged to You. As with any other part of the Premium, it is subject to government taxes and charges such as GST, Stamp Duty and where applicable, Fire Service Levy.

For further information contact Allianz or Your intermediary.

Product Disclosure Statement

The Policy provides a number of covers which may or may not be provided to You as a retail client under the Corporations Act 2001 (Cth) depending on Your circumstances. Updating this PDS

We may need to update this PDS from time to time if certain changes occur where required and permitted by law. We will issue You with a new PDS or a Supplementary PDS or other compliant document to update the relevant information except in limited cases. Where the information is not something that would be materially adverse from the point of view of a reasonable person considering whether to buy this insurance, We may issue You with notice of this information in other forms or keep an internal record of such changes (You can get a paper copy free of charge by contacting Us using Our details on the back cover of this PDS).

Other documents may form part of the PDS and the Policy, for example Schedules, Supplementary PDSs and/or Endorsements. If they do We will tell You before You enter into this Policy and in the relevant document. less any sum saved during the Indemnity Period in respect of the charges and expenses of the Business payable out of Gross Profit that cease or are reduced in consequence of the Defined Event.

4. Government incentives

The monetary loss of Gross Profit is extended to include the loss of any government-approved incentives, subsidies or market development allowances You are entitled to in relation to Your Business.

This only applies if the loss of these benefits was caused as a result of Damage to the Property Insured which has resulted in an admissible claim under Commercial Property Section or Theft Section of the Policy.

- a. determine the amount of all outstanding accounts receivable at the end of the same fiscal month in the year immediately preceding the year in which the loss occurs;
- b. calculate the percentage of increase or decrease in the average monthly total of accounts receivable for the year immediately preceding the month in which the loss occurs, as compared with such average for the same months of the preceding year;
