

Supplementary Product Disclosure Statement ("SPDS")

Preparation Date: 5 March 2021

This SPDS applies if your Allianz Life Plan, Allianz LifeCover Plus, TIO LifeCover Plus or HSBC Easy Life Insurance Product Disclosure Statement (PDS) has a Preparation Date from 12 December 2012 to 30 June 2019.

These Life Insurance products are underwritten by the insurer Allianz Australia Life Insurance Limited ABN 27 076 033 782 AFS Licence No. 296559 of Level 12, 9 Castlereagh Street Sydney NSW 2000 (Allianz).

This SPDS is issued by Allianz and updates and amends the Allianz Life Plan, Allianz LifeCover Plus, TIO LifeCover Plus and HSBC Easy Life Insurance PDS's that have been issued by Allianz with a Preparation Date from 12 December 2012 to 30 June 2019. This SPDS must be read together with the applicable PDS, and any other relevant SPDS.

Terminal Illness updated to 24 months

Any reference in the PDS to Terminal Illness timeframe of 12 months is updated to 24 months as follows:

- 'Terminal Illness where death is likely to occur within 12 months' is replaced by 'Terminal Illness where death is likely to occur within 24 months'.
- 'likely to result in your death within 12 months' is replaced by 'likely to result in your death within 24 months'.

The **Glossary** section defined terms 'Terminal Illness' and 'Specialist registered medical practitioner' are deleted and replaced, or inserted, with the following:

- **Terminal Illness** means a Sickness which is likely to result in your death within 24 months. This requires the written opinion of a Specialist supported by reasonable medical evidence in relation to your life expectancy.'
- **Specialist** means a registered medical practitioner as recognised by Australian Health Practitioner Regulation Authority (or the equivalent body in the jurisdiction where the Life Insured is being treated overseas) that has the relevant specialist qualifications relating to your medical condition(s) for which you are making a claim.'

Update to the definition Degenerative Diseases section under Critical Illness cover

- Multiple Sclerosis and Parkinson's Disease definition has been updated to pay 100% on diagnosis, instead of 25%
- Parkinson's Disease definition has been expanded to include Parkinson's Plus (atypical parkinsonian) Syndromes

The following applies if your Policy Schedule indicates you have Critical Illness cover.

Delete the second paragraph in the 'Critical Illness cover' section under the 'Policy benefits' section and replace with: 'The amount we pay will be the Critical Illness Cover Amount.'

The 'Degenerative Diseases' condition section under the 'When a Critical Illness benefit will be payable' section under 'Critical Illness Cover' is deleted and replaced as follows:

Degenerative Diseases	We will pay a benefit on the:
<ul style="list-style-type: none">• Multiple Sclerosis• Parkinson's Disease and Parkinson's Plus (atypical parkinsonian) Syndromes*• Motor Neurone Disease• Muscular Dystrophy	Definite diagnosis of the relevant condition as confirmed by a neurologist. *Parkinson Plus (atypical parkinsonian) Syndromes include: Multiple System Atrophy (MSA); Progressive Supranuclear Palsy (PSP); Cortical Basal Degeneration (CBD); and Dementia with Lewy bodies (DLB).

Life cover Buy Back benefit introduced

The following applies if your Policy Schedule indicates you have Critical Illness cover and/or Permanently Unable to Work cover.

The following 'Life cover Buy Back' section is inserted after the 'Inflation Proofing' section and before 'When is a benefit not payable? (policy exclusions)' section in the PDS as follows:

Life cover Buy Back

The Life cover Buy Back feature allows you to reinstate the Life Cover Amount that was reduced after full payment of a Critical Illness or Permanently Unable to Work claim.

Life cover Buy Back will be automatically activated 12 months after we accept your Critical Illness or Permanently Unable to Work claim. If your policy ceased due to payment of your claim, we will issue you a new policy with the reinstated Life Cover Amount.

We will notify you 30 days prior to activating Life cover Buy Back that we will reinstate the Life Cover Amount by the amount of your claim payment. You must contact us if you do not wish to accept this offer.

The reinstatement of the Life Cover Amount will be:

- available without further assessment of your health;
- provided under the same acceptance terms as were applied to your existing Life cover (including premium loadings and special terms); and
- available on the same basis as the premium rates applicable for your age at the last Policy Anniversary.

If Inflation Proofing Increases are applied to your policy, then these increases will continue to be applied after the Life Cover Amount is reinstated.

Premiums will increase in line with the increased Cover Amount after the additional Life cover is reinstated.

Life cover Buy Back can only be activated once. It only allows for the reinstatement of the Life Cover Amount, not the Cover Amount for either Critical Illness or Permanently Unable to Work cover.

Where your PDS indicates that you have 'Guaranteed Benefit Increases' or 'Life Event Benefit Increases' included as part of your Life Cover, this paragraph also applies to you: You cannot increase your Life cover by applying for a Life Event Benefit Increase / Guaranteed Benefit Increase after a Critical Illness or Permanently Unable to Work claim payment.

Life cover Buy Back will not be activated if during the 12 month waiting period:

- you pass away;
- a Terminal Illness benefit is paid;
- we cancel your cover due to non-payment of premium;
- you request us to cancel your policy; or
- you reach the Policy Anniversary after your 70th birthday.

You can request for the Life Cover Amount to be reduced at any time including after the Life Cover Amount is reinstated.

Update to taking a combination of cover section to include Life cover Buy Back benefit explanation

The following applies if your Policy Schedule indicates you have Critical Illness cover and/or Permanently Unable to Work cover.

The 'Taking a combination of cover' section is deleted and replaced as follows:

Taking a combination of cover

If you take a combination of cover, your other benefits under the policy will reduce by the payment amount of your claim.

If you take Critical Illness and/or Permanently Unable to Work cover, your policy:

- must include Life cover; and
- the **Cover Amount** of any Critical Illness or Permanently Unable to Work cover cannot exceed the Life Cover Amount.

The maximum total amount payable under this policy is the Life Cover Amount listed on the **Policy Schedule**.

If we make a full Life cover payment in the event of death or Terminal Illness, then that Life Insured's policy will cease.

Any payment for Critical Illness cover or Permanently Unable to Work cover will reduce any other covers by that payment amount.

If a payment made under the Critical Illness cover or Permanently Unable to Work cover reduces any other Cover Amount to \$0, then that cover will cease.

If Critical Illness cover or Permanently Unable to Work cover is paid in full, we may reinstate the Life Cover Amount that was reduced as a result of the Critical Illness or Permanently Unable to Work payment after a 12 month waiting period. For full details, see the 'Life cover Buy Back' section.

For example

If you had:

- \$700,000 of Life cover;
- \$200,000 of Critical Illness cover; and
- \$500,000 of Permanently Unable Work cover,

then in the event a \$200,000 Critical Illness benefit is paid to you, your Permanently Unable to Work Cover Amount and your Life Cover Amount would both reduce by \$200,000. Therefore, your Permanently Unable to Work Cover Amount would then be reduced to \$300,000 and your Life Cover Amount would then be reduced to \$500,000. After a 12 month waiting period, we may reinstate the \$200,000 in Life cover, increasing the Life Cover Amount back to \$700,000 under the Life cover Buy Back feature. Permanently Unable to Work cover will remain at \$300,000.

Changes to the Product Disclosure Statement and Policy Document (PDS)

From time to time we may make changes to this document where those changes are not materially adverse or significant from the point of view of a reasonable person (such as minor changes to tax rules). We may make such changes by amending the PDS and publishing an updated version on the TIO website at www.tiofi.com.au. A paper copy will also be available free of charge on request.

Where we have indicated in the PDS that we will advise you of changes, then you will be advised of such changes in writing.

For all enquiries please contact us on 131 846, Monday to Friday, between 9am to 7pm (AEST).

How to read this PDS

This document describes the features of the TIO LifeCover Plus. It explains how to apply for cover (see page 3) and then explains the policy under the Policy conditions section from page 4. Finally, we set out additional important information you need to know, including your Duty of Disclosure (page 8), cooling off rights (page 8) and how to make a claim (page 7).

We have **bolded** words that are defined terms the first time that they appear. Take a look at our Glossary (page 11) to see these definitions. 'You' and 'your' are references to the **Policy Owner** or the **Life Insured**, as the context requires.

- The Policy Owner is responsible for paying the premium and will receive any insurance benefits (we only pay one benefit for each Life Insured even if there is more than one Policy Owner).
- The premium amount will depend on the circumstances of the Life Insured such as age, gender, occupation and smoking status.
- The insured benefit is only payable if an insured event occurs to the Life Insured while the policy is current.

'We', 'us', and 'our' are references to Allianz.

Benefits of the TIO LifeCover Plus

The TIO LifeCover Plus has three types of cover:

- **Life cover**

Life cover pays a lump sum if the Life Insured dies or is diagnosed with a **Terminal Illness** where death is likely to occur within 12 months. For full details of the conditions, cover and when a benefit will be payable, see page 4.

- **Critical Illness cover**

Critical Illness cover pays a lump sum if you suffer one of the defined Critical Illness conditions. A 90 day exclusion period applies for selected conditions. For full details of the conditions, cover, exclusion period and when a benefit will be payable, see pages 5-6.

- **Permanently Unable to Work cover**

Permanently Unable to Work cover pays a lump sum if you are either diagnosed with a **Sickness** or suffer an **Injury** which means you are unlikely ever to be able to work again, or you suffer from a defined Major Physical Impairment. For full details of the conditions, cover and when a benefit will be payable, see page 6.

Taking a combination of cover

If you take a combination of cover, your other benefits under the policy will reduce by the payment amount of your claim.

If you take Critical Illness and/or Permanently Unable to Work cover, your policy:

- must include Life cover; and
- the **Cover Amount** of any Critical Illness or Permanently Unable to Work cover cannot exceed the Life Cover Amount.

The maximum total amount payable under this policy is the Life Cover Amount listed on the **Policy Schedule**.

If we make a full Life cover payment in the event of death or Terminal Illness, or the payment of 100% of the Life Cover Amount for the Accidental Injury Benefit, then that Life Insured's policy will cease.

Any payment for Critical Illness cover or Permanently Unable to Work cover will reduce any other covers by that payment amount. If a payment made under the Critical Illness cover or Permanently Unable to Work cover reduces any other Cover Amount to \$0, then that cover will cease.

For example

If you had:

- \$700,000 of Life cover;
- \$200,000 of Critical Illness cover; and
- \$500,000 of Permanently Unable Work cover,

then in the event a \$200,000 Critical Illness benefit is paid to you, your Permanently Unable to Work Cover Amount and your Life Cover Amount would both reduce by \$200,000. Therefore, your Permanently Unable to Work Cover Amount would then be reduced to \$300,000 and your Life Cover Amount would then be reduced to \$500,000.

Payment of the Accidental Injury Benefit reduces the Life Cover Amount and any other covers by that payment amount. Where this would cause either the Permanently Unable to Work or Critical Illness Cover Amount(s) to exceed the Life Cover Amount, then the applicable Cover Amount(s) will be reduced to equal the reduced Life Cover Amount and the premiums will be adjusted accordingly.

Who can apply for cover?

You can apply for cover if you are a holder of an Australian or New Zealand Citizenship, or an Australian Permanent Residency Visa, and you are permanently residing within Australia at the time of your application.

You must be aged:

- 16 - 65 to apply for Life cover; and
- 16 - 55 to apply for Critical Illness cover or Permanently Unable to Work cover.

If you are applying for Permanently Unable to Work cover you must be working on a permanent basis in an eligible occupation type for at least 20 hours per week. Most types of occupations are eligible to apply for cover, however if your work involves any hazardous activities or if you would like to check your occupation, please contact us on 131 846, Monday to Friday, between 9am to 7pm (AEST), to confirm your eligibility to apply.

If you are under the age of 25, you should consider whether you require this insurance having regard to your personal situation.

Single and joint life policies

Allianz offers single and joint life policies. For information about who receives any benefits paid, please refer to page 7.

If you are the only Life Insured and the only person listed on the Policy Schedule, then:

- you are the Policy Owner; and
- you can request one additional Policy Owner be added to the policy. This additional Policy Owner will not be a Life Insured under the policy.

If you have a joint life policy:

- there will be two Life Insureds and both will be listed on the Policy Schedule as joint Policy Owners. The cover type and Cover Amount for each Life Insured under a joint life policy can be different.

Where there are two Policy Owners, you may request changes on behalf of the other Policy Owner. For example, if you wish to decrease the Cover Amount, remove a cover type, or cancel the policy, you can contact our customer service team on 131 846, Monday to Friday, between 9am to 7pm (AEST), to request this change.

Under a joint life policy, if cover ends for one Life Insured, the cover for the other Life Insured continues unaffected. Your joint life policy can be split into two single life policies if requested.

How much cover can I apply for?

The maximum Cover Amounts you can apply for, or increase to on a current policy, are based on your current age and listed in the table below.

The Cover Amount of any Critical Illness or Permanently Unable to Work cover cannot exceed the Life Cover Amount.

The minimum Cover Amount is \$50,000 for Critical Illness cover and \$100,000 for Life cover and Permanently Unable to Work cover.

Your age	Maximum Life cover	Maximum Critical Illness cover	Maximum Permanently Unable to Work cover
16 – 45	\$1,500,000	\$500,000	\$1,500,000
46 – 55	\$1,000,000	\$500,000	\$1,000,000
56 – 65	\$500,000	Nil	Nil

Inflation Proofing Increases (see page 6) will continue even where the maximum Cover Amount is met or exceeded, but you will not be able to apply for any increases above the maximum Cover Amount for your age at the time of application for an increase.

Maximum benefits payable

Maximum payable under this policy

The maximum Cover Amount that a Life Insured can claim for under the relevant types of cover (Life cover, Critical Illness cover or Permanently Unable to Work cover), is the maximum Cover Amount listed in the table above relative to the Life Insured's age at the time of the application or increase. In other words, the maximum Cover Amount acts as a cap on benefits payable to the Life Insured.

Please see section 'Taking a combination of cover' on page 2 for details of what will happen if you have a combination of cover and we pay a claim.

Maximum payable if you have multiple policies with Allianz

If the Life Insured is covered under more than one Allianz policy in respect of the same cover type, Allianz will apply the maximum Cover Amount listed in the table above to the benefits payable for each Life Insured under all such policies. At time of claim, Allianz will reduce the Cover Amount under the most recently issued policy so that the maximum Cover Amount is not exceeded. Any overpayment of premiums resulting from duplication of cover will be refunded.

Maximum payable if you have policies with other insurers

If a Life Insured is covered with insurance from companies other than Allianz this will only impact on the benefit payable by Allianz where the Life Insured holds one or more Critical Illness or Trauma policies with another insurer. Where this occurs, the maximum aggregate benefit payable for a Critical Illness or Trauma claim is \$2 million, being an aggregate of all Critical Illness and Trauma covers paid or payable by Allianz and other insurers on the Life Insured.

Maximum increase under this policy

You cannot apply for a Life Event Benefit Increase or an increase to your Cover Amount that will result in your Cover Amount exceeding the maximum Life Cover Amount (which is based on your age at the time of the application for an increase) listed in the table above.

The maximum Cover Amount may only increase and payment of benefits exceed the cap, as a result of Inflation Proofing Increases.

Increasing your level of cover

After the **Commencement Date**, you may:

- apply for a Life Event Benefit Increase subject to the maximum Cover Amount (see the table above); or
- apply to increase your cover or add additional covers at any time. Unlike a Life Event Benefit Increase, your application will be subject to assessment and eligibility and we do not guarantee to increase cover.

Any Cover Amount increase is subject to the eligibility terms outlined in the 'Who can apply for cover' and 'How much cover can I apply for' sections on pages 2 and 3, the 'Critical Illness cover' section on page 5, and 'When is a benefit not payable (policy exclusions)?' on page 6. Any cover you already have in place will be unaffected by future applications for increases even where we decline the increase or agree to cover you subject to special terms.

To apply for an increase, please call us on 131 846, Monday to Friday, between 9am to 7pm (AEST).

Policy conditions

Your policy with us is made up of:

- a Policy Schedule that we will send you if your application is accepted;
- the Product Disclosure Statement and Policy Document; and
- any other documents (such as a Supplementary Product Disclosure Statement) which we tell you are part of your policy.

A benefit listed below only applies if it is shown on your Policy Schedule. Benefits are only payable under the terms and conditions of the policy. We will not pay a benefit if an exclusion applies on your policy (see page 6).

Benefits are only payable upon the acceptance of a claim. For information on making a claim, refer to page 7.

Policy benefits

Life cover

We will pay the Life Cover Amount if while the benefit is current the Life Insured:

- dies; or
- is diagnosed with a Terminal Illness.

A Terminal Illness means a Sickness which is, in the written opinion of the **Specialist** registered medical practitioner and verified by us, likely to result in your death within 12 months.

We can also advance part of the Life Cover Amount if you have an accidental Injury (please see below for details of when these benefits may be paid).

In addition to the above conditions being met, there are some circumstances where the Life cover benefit will not be payable. Please see the 'When is a benefit not payable (policy exclusions)?' section on page 6 for further details.

Accidental Injury Benefit

If you have an accidental Injury which causes the entire and irrecoverable loss of use of:

- one hand or one foot or the sight in one eye, we will pay you 25% of the Cover Amount; or
- any combination of two or more of: one hand or one foot or the sight in one eye, we will pay you 100% of the Cover Amount.

Your Life Cover Amount will be reduced by the amount of any Accidental Injury Benefit Cover Amount paid and premiums will be adjusted accordingly.

Where 25% of your Cover Amount is payable under Accidental Injury Benefit, Inflation Proofing Increases will continue to be applied to the remaining 75% of your Cover Amount (see the 'Inflation Proofing Increases' section on page 6).

Please see the section 'Taking a combination of cover' on page 2 for details of what will happen to any other covers you may have if an accidental Injury event is payable.

As accidental Injury may also be covered under Permanently Unable to Work cover, we will not pay for an accidental Injury where you are eligible to receive payment for Permanently Unable to Work for the same accidental Injury event.

Life Event Benefit Increases

You may apply for an increase to your Life Cover Amount without further assessment of your health up until age 65 and within 90 days of the occurrence of any of the specified events (described in the table below). This increase does not apply if you are entitled to receive or have received a benefit under the policy.

For the first six months after an approved Life Event Benefit Increase, any increased Cover Amount will only be payable in the event of your **Accidental Death**. This six month waiting period does not apply if the specified event is the birth or adoption of a child.

If we increase your Life Cover Amount because you have applied for a Life Event Benefit Increase, we will not pay you the increased amount if you commit suicide within 13 months of the increase taking effect. For further details on when a Life benefit is not payable, refer to page 6.

There must be a minimum of six months between the specified events before being able to apply for a further increase.

An application for an increase must be made by the Life Insured.

The minimum amount by which you can increase your cover under this benefit is \$10,000. The Cover Amount cannot be increased to an amount greater than the maximum Cover Amount for Life cover (based on your age at the time of the increase).

Specified Event	Subject to the above, the maximum you can increase this cover by is the lesser of:
<ul style="list-style-type: none">• You marry or divorce• You or your spouse*, gives birth to, or adopts a child• You have a dependent child start secondary school	<ul style="list-style-type: none">• \$200,000; or• 50% of the Life Cover Amount at the commencement of the policy.
<ul style="list-style-type: none">• You take out for the first time or increase your mortgage on your principal place of residence with an accredited mortgage provider	<ul style="list-style-type: none">• \$200,000; or• 50% of the Life Cover Amount at the commencement of the policy; or• The amount of the mortgage or increase to the mortgage (as applicable).
<ul style="list-style-type: none">• You have any single increase to your total salary package of 20% or more	<ul style="list-style-type: none">• \$100,000; or• 25% of the Life Cover Amount at the commencement of the policy; or• Five times the amount of the salary package increase.

*Means legal spouse, or someone living with the Life Insured as his/her de facto spouse on a genuine domestic basis.

Critical Illness cover

We will pay a Critical Illness benefit if, while the benefit is current, you the Life Insured suffer one of the defined conditions that meet the requirements described in this section.

The amount we pay for all conditions, except for diagnosis of Multiple Sclerosis, Parkinson's Disease, or Parkinson's Plus (atypical parkinsonian) Syndromes, will be the Critical Illness Cover Amount. Payment on diagnosis of Multiple Sclerosis or Parkinson's Disease will be 25% of your Cover Amount with the remaining amount payable when certain additional criteria are met (please see the table below for details). Your Critical Illness Cover Amount will be reduced by the amount of the 25% payment and premiums will be adjusted accordingly. Inflation Proofing Increases will continue to be applied to the remaining 75% of your Cover Amount (see the 'Inflation Proofing Increases' section on page 6).

In the case of Cancer of specified severity, Cardiac Surgery and Vascular Disease, we will not pay a benefit if the insured event occurs, is first diagnosed, the symptoms leading to the diagnosis become apparent, or the recommendation for surgery is made within 90 days of:

- the commencement of the benefit;
- any increase in the benefit (but only in respect of the increase); or
- the reinstatement date where we have agreed to reinstate the benefit after it has lapsed.

If one of these conditions occurs again after the 90 day exclusion period and is not related to the first occurrence, a benefit would then be paid. This 90 day exclusion period does not apply where immediately prior to the commencement of cover another insurer covered you for the same condition and we agreed to replace the cover held with that insurer (and you were not within the insurer's 90 day exclusion period).

When the Critical Illness Cover Amount has been paid in full, Critical Illness cover in respect of that Life Insured will cease.

Please see the section titled 'Taking a combination of cover' on page 2 for details of what will happen to any other covers you may have if we pay a Critical Illness benefit.

- the applicable definition in this policy; and
- if different, the corresponding minimum standard medical definition in the Life Insurance Code of Practice that is current at the time of the insured event,

and we will apply whichever definition is the most beneficial to you.

In addition to the above conditions being met, there are some circumstances where the Critical Illness benefit will not be payable. Please see the 'When is a benefit not payable (policy exclusions)?' section on page 6 for further details.

You must first suffer the Sickness or Injury after the start of the policy and while the benefit is current.

For each Life Insured only one Permanently Unable to Work benefit is payable under this cover. If you are applying for Permanently Unable to Work cover you must be working on a permanent basis in an eligible occupation type for at least 20 hours per week. Please see the section titled 'Taking a combination of cover' on page 2 for details of what will happen to any other cover you may have if we pay a Permanently Unable to Work benefit. In addition to the above conditions being met, there are some circumstances where the Permanently Unable to Work benefit will not be payable. Please see the 'When is a benefit not payable (policy exclusions)?' section on page 6 for further details.

Inflation Proofing Increases

To help ensure your level of insurance stays ahead of inflation, your Cover Amounts are automatically increased on each **Policy Anniversary** by 5% or the change in the Consumer Price Index, whichever is greater. If you choose not to accept an Inflation Proofing Increase in any given year, contact us on 131 846, Monday to Friday, between 9am to 7pm (AEST), to elect to renew your policy without an Inflation Proofing Increase for that year. Inflation Proofing Increases will continue to be applied to your policy from the next Policy Anniversary.

Your premiums will increase from year to year on your Policy Anniversary in line with the increased Cover Amount due to an Inflation Proofing Increase.

We will not apply any more Inflation Proofing Increases from the Policy Anniversary after your 65th birthday.

When is a benefit not payable (policy exclusions)?

In the following situations we will not pay a benefit:

- We will not pay a Life cover benefit if you commit suicide within the first 13 months of the commencement of the cover, any increase in cover (but only in respect of the increase), or where we have agreed to reinstate the policy after it has lapsed.
- We will not pay an Accidental Injury Benefit, Critical Illness or Permanently Unable to Work benefit where the condition is intentionally self-inflicted.
- No benefit will be paid in any circumstances if the Life Insured has not applied for the cover personally or where the application was completed on behalf of another person.
- We will not pay any benefit where we have agreed with you a special term in respect of your cover that specifically excludes the event or condition leading to the claim. Any such special term will be agreed with you before your policy is issued and will appear on your Policy Schedule.

For example, if we agree to exclude Sickness or Injury as a result of 'Mountain climbing' in respect of Permanently Unable to Work cover and you were disabled in the course of mountain climbing, we would not pay a Permanently Unable to Work benefit.

- We will not pay any benefits if the event that gives rise to a claim first occurs while the Life Insured is living in or has visited a country or parts of a country, on a date where:
 - there is an Australian Government Department of Foreign Affairs and Trade level 3 *'Reconsider your need to travel'* or level 4 *'Do not travel'* travel advisory warning in place for that country;
 - any other Australian Government advice has been issued stating that persons should not travel to or stay in that country or part of that country, or should reconsider their need to travel to or stay in that country or part of that country; or
 - the Life Insured voluntarily remains in a country when the Australian Government has coordinated an evacuation of that country or part of that country.

Premium calculation and payment

Insurance is initially provided for one year, with your first premium payable in advance. Premiums may be paid monthly or annually by direct debit from a credit card or bank account. Each year, at least 30 days before your Policy Anniversary, we will send you an annual notice that sets out your premium for the following year. Your premium is calculated each year based on the cover you have selected, any increase in your Cover Amount because of an Inflation Proofing Increase, and your age at that time.

To maintain your policy you need to pay your premiums within 30 days of the due date. Your policy will be cancelled if you do not pay your premiums within the required period and you will no longer be covered from the date of cancellation.

We may introduce policy fees and change policy fees by giving you 30 days' written notice. We may increase your premium by giving you notice at least 30 days before your Policy Anniversary.

For more information please see 'Premiums, fees and other charges' on page 9.

Can I renew my cover at any age?

We guarantee to renew your cover (provided you pay your premiums when due) until the Policy Anniversary after your:

- 99th birthday for Life cover;
- 70th birthday for Critical Illness cover; and
- 65th birthday for Permanently Unable to Work cover.

Cover is accepted on the basis of your original application. You do not need to make us aware of any changes in your health or occupation after the Commencement Date of the policy and while the policy is current, unless you apply to increase the Cover Amount.

Please see 'Premium calculation and payment' section above for details of what will happen if you do not pay your premiums.

Making a claim

If you or your estate need to make a claim please call us on 131 846, Monday to Friday, between 8am to 5pm (AEST). We will send a claim form together with any other documents we require to be completed, signed and returned. We may also require your treating doctor or Specialist to complete a form at your (or your estate's) expense.

We need to be advised as soon as possible after an insured event has occurred.

Before a claim is payable we must receive proof, provided at your expense and to our satisfaction, that the insured event has occurred.

Additionally, other than for a claim in the event of the Life Insured's death:

- proof must be supported by one or more appropriate medical practitioners registered in Australia or New Zealand (or in another country approved by us);
- you must make available to us all relevant information, including any test, examination, or laboratory results; and
- if the claim is a result of a surgical procedure, we will require evidence that the procedure was medically necessary.

We reserve the right to require you to undergo, at our expense, examinations or other reasonable tests (including where necessary a post-mortem examination) to confirm the occurrence of an insured event.

In addition, we may conduct investigations to assess the validity of the claim. This may involve the use of investigation agents and surveillance, legal advisers and the collection of personal data including sensitive personal information.

In initially providing cover or subsequently assessing a claim, we will be entitled to rely on the information you disclosed as part of your application and to verify the accuracy of the information (e.g. check with your doctor).

If we choose to verify the information we may do so at the time of application or at the time of claim, and in either case we will be entitled to rely on the verified information.

Who do we pay?

The benefits will be paid to:

- you;
- the surviving Policy Owner; or
- your personal legal representative (your estate).

Where a death claim is payable to your estate and the Cover Amount is more than \$50,000, your estate must provide satisfactory documentary evidence of either a Grant of Probate or Letters of Administration before a benefit can be paid.

For more information about single and joint life policies, see page 2.

When does my cover start and end?

Your cover begins on the Commencement Date as shown on your Policy Schedule. This is the day we accept your application for cover.

Cover in respect of a benefit ends on the earliest of the following:

- the date the Cover Amount is paid in full by us for a Life Insured*;
- the date you cancel your policy or your policy lapses due to the non-payment of premium; and
- the **Expiry Date** in the Policy Schedule.

*Please see section 'Taking a combination of cover' on page 2 for details of what will happen if you have a combination of cover and we pay a claim.

Other policy conditions

Only a Policy Owner may extend, vary, cancel or otherwise exercise any rights applying to the policy.

The requests of one Policy Owner (for example to cancel the policy) will bind all Policy Owners.

The policy is governed by the laws of New South Wales and you agree to submit to the exclusive jurisdiction of the courts of New South Wales.

Important Information

Duty of Disclosure

Before you enter into a life insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, which may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you extend, vary or reinstate the contract.

You do not need to tell us anything that:

- reduces the risk we insure you for;
- is common knowledge;
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something

In exercising the following rights, we may consider whether different types of cover can constitute separate contracts of life insurance. If they do, we may apply the following rights separately to each type of cover.

If you do not tell us anything you are required to, and we would not have insured you if you had told us, we may avoid the contract within three years of entering into it.

If we choose not to avoid the contract, we may, at any time, reduce the amount you have been insured for. This would be worked out using a formula that takes into account the premium that would have been payable if you had told us everything you should have. However, if the contract provides cover on death, we may only exercise this right within three years of entering into the contract.

If we choose not to avoid the contract or reduce the amount you have been insured for, we may, at any time vary the contract in a way that places us in the same position we would have been in if you had told us everything you should have. However, this right does not apply if the contract provides cover on death.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Your cooling off and cancellation rights

You can cancel the policy within 30 days of receiving the first Policy Schedule ('cooling off period') by contacting us and we will refund any premiums paid unless a claim has been or can be made under the policy.

A Policy Owner may cancel the policy (or part of it) at any time by contacting us. This binds all Policy Owners. We will refund the premium less a proportion for time on risk (i.e. the period of time for which we provided cover before the cancellation) and reasonable administrative costs related to the management and termination of the policy.

Without your request, we can only cancel the policy in accordance with the law (e.g. if the premium due is not paid).

Premiums, fees and other charges

Your premium is influenced by the following factors:

- your age;
- your gender;
- whether or not you smoke;
- the type and amount of cover you select;
- any Inflation Proofing Increases applied;
- your state of health;
- pastimes; and
- occupation (in the case of Permanently Unable to Work cover only).

Your TIO LifeCover Plus premium also includes:

- a base premium amount of \$4.00 per month; and
- a minimum total premium of \$7.50 per month irrespective of any discount(s).

No 'policy fees' or other fees or charges apply under the TIO LifeCover Plus. If we introduce any fees in the future you will be given at least 30 days written notice.

You can obtain a premium estimate by calling us on 131 846, Monday to Friday, between 9am to 7pm (AEST). At your request, we can also provide you with a table of all premiums that apply to the TIO LifeCover Plus. This table will include all the factors and rates that apply.

Premium rates are not guaranteed and may change from time to time. However, changes must apply to all policies within a group (for example, all 34 year old females) and not to an individual policy. Any change will apply from your next Policy Anniversary and be advised to you in your annual notice at least 30 days before the new premium rates apply.

The premiums paid for the benefits described in this PDS form part of the Allianz Australia Life Insurance Limited No.1 Statutory Fund. Any benefits you receive under this policy will be paid from that fund.
