Product Disclosure Statement

What your policy is made up of

Your policy is made up of these documents:

- this Product Disclosure Statement and Policy Document (PDS). The PDS is designed to provide information about the policy, to help you decide if it's what you need;
- your Policy Schedule. Your policy schedule sets out who is insured, the cover(s) selected, the period of insurance, the premium payable, sums insured, limits of liability, excesses and other important information;
- any Supplementary PDS that applies; and
- any other policy documents we specify at or prior to entry into your insurance contract or when required or permitted by law.

This PDS (together with any amendments, updates or endorsements that we give you in writing which may vary it when required or permitted by law) will also apply for any offer of renewal we make, unless we tell you otherwise or issue you with a new and updated PDS.

Updates to the PDS

We may need to update this PDS from time to time. We'll do this if certain changes occur, and we are required and permitted by law to do so.

We will issue you with a new PDS or a Supplementary PDS or other compliant document to update the relevant information except in limited cases.

Where the information is not something that would be materially adverse from the point of view of a reasonable person considering whether to buy this insurance, we may issue you with notice of this information in other forms or keep an internal record of such changes. You can get a paper copy of any changes free of charge by contacting us using the contact details on the back of this PDS.

General Advice Warning

It is up to you to choose the cover you need. Because we and our representatives do not advise you on whether this policy is specifically appropriate for your objectives, financial situation or needs, you should carefully read this document before deciding.

Welcome

Allianz Landlord Insurance offers cover for your investment property, including the buildings and specified contents you provide for your tenants use. Depending on the cover you choose, your policy can cover you for financial loss if your buildings are damaged or destroyed, or if your contents are damaged, stolen or lost.

Here are some of the important ways Allianz Landlord Insurance can help cover you:

Cover for the unexpected

We offer cover for out of the ordinary but devastating events such as fire, storm and burglary.

Optional cover

We offer a range of optional covers that may be available to you to suit your needs – rent default and theft by tenant cover and landlord workers' compensation.

24/7 emergency claims lodgment

When you need to make a claim, we are there for you with a 24 hour emergency claims lodgment line – helping you get back on track again as soon as possible.

Your cover options

We offer the following types of landlord insurance cover (eligibility criteria may apply):

Buildings cover	Contents cover	Optional covers
Cover your buildings inside and out for loss or damage caused by one or more of 12 insured events. Go to page 28.	Cover the contents that you own as the landlord (or for which you are legally responsible) and keep at the insured address for the use of your tenant for loss or damage caused by one or more of 12 insured events. Go to page 38.	- Rent Default and Theft by Tenant - Landlord workers' compensation Go to page 45.
Legal liability cover If you take buildings and/or contents cover you'll also automatically receive Legal Liability cover. This section can cover you if you are found liable to pay compensation to someone because you have accidentally injured them or damaged their property during the period of insurance. Go to page 52.		

What you're covered for

Whilst there are some things we don't cover (see the exclusions within each insured event and General exclusions on pages 55 to 59), we'll cover you for damage to your insured property as a result of any of these insured events:

	Fire or smoke (including bushfires and grassfires) Go to page 19		Impact damage Go to page 24
	Storm, cyclone or rainwater Go to page 20		Vandalism or malicious damage Go to page 25
	Water or other liquid damage Go to page 21		Lightning Go to page 25
	Theft or burglary Go to page 22		Earthquake or tsunami Go to page 26
	Explosion Go to page 23		Riot or civil commotion Go to page 26
	Accidental breakage of glass or ceramic items Go to page 23		Flood and/or run-off Go to page 27

Optional covers

You can also upgrade your policy to include cover for (eligibility criteria apply):

Rent Default and Theft by Tenant

Go to page 46

Landlord workers' compensation

Go to page 50

The optional covers you select will be shown on your policy schedule.

What does it mean if I take the Rent Default and Theft by Tenant cover option?

This option can cover you against loss of rent if your tenant defaults on their rent payments, permanently departs without giving notice or experiences hardship. Cover is also provided if loss or damage is caused by theft, burglary or housebreaking by your tenant or their invitees.

Here are some examples of the sort of incidents you'll be covered for if you take this option:

If you have Buildings and / or Contents cover

You suffer loss of rent after your tenant defaults on rent payments during the period of insurance.

Invitees of your tenant steal a barbeque that belongs to you as the landlord.

Cleaning costs, up to \$300, when your tenant departs from the building without notice and your carpets are stained which prevent your property from being re-let.

This is a high level snapshot only. For information on what is covered and what is not covered – and for the full policy terms, conditions, limits, exclusions and excesses that apply – please read the whole of this PDS, your policy schedule and any other documents that make up your policy.

Understanding your policy

Which cover do I need?

Buildings and/or **Contents** cover — what's the difference?

Here's a brief outline of the difference between Buildings and Contents cover, to help you decide the cover you need.

Buildings cover	Contents cover
Designed to cover the physical structures that make up your property, like the house itself, garage, sheds, swimming pools and decks. Generally for customers who own a freehold home – like a house, townhouse, terrace or semi-detached dwelling. See pages 30 to 31 for a detailed list of what we define as buildings.	Designed to cover items at your property – from furniture, removable domestic appliances and white goods which belong to you as the landlord and that you have provided for the use of your tenant. It also covers your carpets and window furnishings. See page 40 for a detailed list of what we define as contents.

How Building and Contents insurance work together.

If you take out both Buildings and Contents insurance here's how they can work together if the unexpected occurs:

Your house burns down. You could lose all your buildings, and everything in them. With adequate sums insured under Buildings and Contents covers, you could rebuild and replace your insured belongings.

A fire damages your kitchen. You could repair or rebuild built-in damaged parts of your kitchen, such as benchtops, with Buildings cover. Then you could replace damaged items like blinds and removable domestic appliances under your Contents cover.

A thief smashes your window, breaks the lock and steals your belongings. You can fix the window and lock through your Buildings cover and replace the items that were stolen, which belong to you and which you provide for your tenants use, under your Contents cover.

You will only have to pay the applicable excess(es) once if your buildings and contents are damaged by the same insured event. The applicable excesses can be made up of your basic excess, any voluntary excess, additional compulsory excess and an additional imposed excess of \$250 for earthquake and tsunami claims. (See "Your excess" on page 15 for details).

Who is this insurance policy designed for?

This insurance policy has been designed for people who are renting their property out to tenants under a residential rental agreement.

Contents owned by you (or for which you are legally responsible) and provide for the use of the tenants may also be covered by this policy. See 'Contents – what is covered' section on page 39 for more details on what can be covered.

This policy is not suitable for covering the building or contents of the home you live in. In this regard, we offer a Home and Contents product that has been specifically designed for homeowners or renters.

For information or a quote for Home and Contents insurance, use the contact details inside the front cover.

The basics

The better you understand your policy,
the easier it will be if you ever have to claim.

Who your policy covers

Your policy provides cover (where applicable) for anyone named in the policy schedule as an insured.

If there is more than one insured listed on the policy, then anything that any of the insureds says, does, or omits to do in connection with the policy or a claim applies to and affects the rights of all of the insureds.

When the policy starts and ends

The effective and expiry dates of your policy are shown on your policy schedule.

We agree this period when you apply for your policy. In some circumstances the policy can end earlier than the expiry date e.g. cancellation by you or us. For more details, please see Cancellation rights under the policy on page 73.

72-hour exclusion period

To manage the risk of people taking out insurance on their uninsured buildings or contents or increasing cover on their underinsured buildings or contents when events such as cyclones, floods or bushfires are predicted, a 72-hour exclusion period applies to some insured events.

We do not provide cover (where the type of cover you have under the policy provides it) for any loss of or damage to your property caused by cyclone, flood, flood water combined with run-off and/or rainwater, grassfires and bushfires, during the first **72 hours** after you first take out or increase the cover under the policy.

However, you will be covered from the time you take out or amend your policy for loss or damage to your buildings and/or contents caused by other insured events.

The 72 hour exclusion period won't apply:

- to renewals,
- when (on the same day the policy starts), you enter into a contract to purchase the insured address, or
- if the policy replaces another similar insurance policy that covered the same buildings, contents or both, without a break in cover. However, if there is an increase in the sum (or sums) insured between the new policy and the one it replaces, we won't cover the increased amount for the first **72 hours** of the policy.

14-day cooling off period

A 14-day cooling off period applies to this insurance. So, if you decide you don't want this policy, you can cancel it up to 14-days from:

- the date we issue a new policy to you, or
- the start date of a renewed policy.

We'll refund your premium in full, as long as you:

- haven't made a claim, or
- don't need to make a claim.

We may deduct government taxes or duties from your refund.

In addition to your cooling off period, you can cancel the policy at any time by calling us. See Cancellation rights under the policy on page 73 for details.

How much you're covered for

It's up to you to decide the sums insured, and the type and level of cover that you want to take out. People generally want enough insurance to cover the property's estimated replacement value. If you don't have enough cover, you could end up having to cover some of the costs yourself.

Remember, we will only pay up to the amount of your loss or the sum insured, whichever is the lesser - so you should also be careful not to over insure.

For example, if you insure your building for \$500K, and you have a total loss but the replacement value of the building is only \$400K – we will only pay up to \$400K (the actual value of your buildings if they are lost or damaged – and we won't refund any premium you paid for the time we have insured any higher amount nominated by you).

Need help choosing the right amount of cover?

To help you estimate the replacement value of your buildings, a calculator is available when you purchase or renew your policy.

Did you know?

The replacement value of your buildings is not the same as the market value – you do not need to include the value of the land when calculating the buildings replacement value.

You'll need to consider everything in your property that you legally own (or for which you are legally responsible) and what you may have included for the tenants use to determine how much Contents cover you need.

Your insurance premium

The cost of your insurance is called a 'premium'. Your premium will depend on a number of factors, and can change each year when you renew your policy, or if you vary the insurance. Minimum premiums may apply. Your premium for each period of insurance will be shown on your policy schedule.

We'll calculate your premium based on a number of factors such as:

- **Your risk profile.**
 - the location of your property
 - the type of property you're insuring
 - the amount and type of cover you require
 - any other people also insured under the policy
 - the relevant claims history of the people being insured
 - the likelihood of a claim being made on your policy.
- **Any discounts that may apply.**
- **Any compulsory government charges** such as Stamp Duty and GST.
- **Emergency/Fire Services Levy** if they apply to the State or Territory where your home is located.
- **Any other charges** we tell you of.
- **The excess you choose or which we apply.**

Renewal premium

If you renew the policy you need to be aware that the premium we charge you is likely to change, even if there has been no change in the circumstances which were applicable to the policy when you first took it out or subsequently renewed it. This is because other factors may affect the premium, including:

- the cost of claims we have paid and that we expect to pay in the future;
- new data we have collected on the various factors we use to determine your premium;
- our expenses of doing business; and
- any other commercial considerations.

When calculating the premium that we charge you on renewal we also consider what your premium was previously, and we may limit movements up or down.

No Claim Bonus

We give you a No Claim Bonus (NCB) to reward you for having a good claims history. When you first take out a policy with us, we calculate your NCB based on your landlord insurance claims history in the previous 3 years.

After each claim-free year, the NCB applied to your renewal premium will be increased by 10%, to a maximum of 30%. However, for every claim you make in a year, the NCB applied to your renewal premium will be reduced by 10% - to a minimum of 0%.

The NCB applied to your base premium is shown on your policy schedule, and is subject to the following.

What else you need to know about premiums

- Minimum premiums may apply.
- Any discounts or entitlements may be subject to rounding and may only apply to the extent any minimum premium is not reached.
- If you are eligible for more than one discount or entitlement, we also apply each of them in a predetermined order to the premium (excluding taxes and government charges) as reduced by any prior applied discounts or entitlements.
- Discounts may not be applied to the premium for flood or optional covers such as rent default and theft by tenant cover (where applicable). Discounts do not apply to the optional cover for Landlord workers' compensation.

Did you know?

You can choose to pay your premium by instalments – for example, by monthly direct debits from your bank account or credit card. We'll let you know the total amount payable when you apply for cover – and we'll confirm this in your policy schedule.

 If an instalment is not paid, we will let you know and we will try to deduct the overdue amount along with your next regular payment on the next instalment due date. If the next attempt to deduct the outstanding amount and the next instalment amount fails, we will cancel your policy for non-payment. We will send you a notice advising you of cancellation and cancellation will be effective 14 days from the date on this notice. So it's important that you pay your instalments on time. If you can't, you should get in touch with us immediately.

Your excess

Unless we state otherwise in the PDS, you will need to pay the applicable excess(es) as a contribution to your claim.

So for example, if you have an excess of \$1,000 and make a claim for \$3,000, we'll pay the balance of \$2,000. We will only pay the claim if the claim amount is more than the excess(es) that apply. If we settle your claim by making a cash payment to you, we will deduct the excess from the amount we pay to you. In other circumstances, you may need to pay the excess as a contribution to the repair or replacement.

When you apply for cover, you will be asked to choose an excess amount from the available options. This can be made up of a basic excess, and a voluntary excess. Generally, the higher your excess amount, the lower your premium will be. In some cases, we may impose an additional compulsory excess which reflects our risk and underwriting criteria, you cannot vary or remove this excess.

The excess(es) you need to pay for each cover type is shown on your policy schedule, or referred to in this PDS.

An additional imposed excess amount of \$250 applies for each claim for loss or damage caused by an earthquake or tsunami, or a series of earthquakes or tsunamis, during any period of 48 consecutive hours.

For more information about how we work out your premiums, the excesses we apply to the policy and any discounts/entitlements you have may be entitled to, see our Premium, Excess, Discount and Options Guide (PED).

Changes to your details – what you have to tell us as soon as reasonably possible

You must tell us as soon as reasonably possible if, during the period of insurance:

- you become aware that any part of your property is used for business, trade or professional purposes (except for use as a home office by your tenant)
- you remove any security devices that were specifically required by us
- your building is in the course of construction or there are any alterations, additions, demolition, repairs to or decorations of the buildings costing more than \$75,000
- you commence renting out your home to short term tenants with a rental agreement for less than 90 days
- your property has not been lived in (or will not be lived in) for more than 60 consecutive days.

If you don't provide this information as soon as reasonably possible, we may refuse or reduce a claim under the policy to the extent we are prejudiced by the delay or the non-disclosure.

Other changes:

You can also contact us if you want to vary your policy during the period of insurance for any other reason, for example to increase your sums insured or to take out additional cover options that may be available.

When we receive this information, we may:

- propose changes to the terms and conditions of your policy
- propose to charge you a higher premium
- cancel your policy if there is a change and we can't reach an agreement with you on altered terms and conditions or premium; or we are no longer prepared to insure you because there has been a material change to the risk
- decide not to offer to renew your policy.

When your property is not being lived in.

We consider your property not lived in when no one is living there. We consider the property lived in when your tenants have been living in the home building (eating and sleeping) for at least two consecutive nights. You may not be covered under this policy if you are aware, or you should have been reasonably aware, that your property is not lived in and / or tenanted for more than 60 consecutive days unless you have our prior agreement in writing.

We may (acting reasonably) ask you to prove that the home buildings are lived in, in the event of a claim.

Be prepared for a claim

When you buy your policy, it makes sense to set yourself up so that in the event you need to make a claim the process will go as smoothly as possible.

For example, for a Contents claim for a specific item, it helps to be able to prove that you owned the item, what it was worth and that you have provided it for your tenants use. So keep track of your receipts – either by filing them or logging them on an online app. Make sure you (or your managing agent) keep records of your property inspection reports and rental agreements.

It's also a good idea to take photos of important contents and features of your buildings, so you can get them repaired or replaced more easily if they're damaged or stolen.

Property inspection reports

You must complete a property inspection report or have your authorised real estate agent or a qualified appraiser complete it:

- a. at the time when a new lease or rental agreement commences;
- b. at the time when an existing tenant vacates the property; and/or
- c. at least on an annual basis if there is long term tenancy.

In the event of a claim we may (acting reasonably) require copies of property inspection reports and any accompanying photographs. If you do not have a property inspection report, we may (acting reasonably) reduce or refuse your claim to the extent we are prejudiced by your failure to obtain or complete a property inspection report.

What you're covered for under each of the insured events

No matter which cover you choose, Allianz provides cover for a range of insured events.

In return for paying or agreeing to pay us your premium, the policy covers loss or damage to your buildings and/or contents (that you own and provide for your tenants use) caused by one or more of the following insured events that take place during the period of insurance. Your policy schedule will show if you have cover for buildings, contents or both.

In addition to the General exclusions on pages 55 to 59, there are some additional exclusions that apply specifically to certain insured events. Make sure you check these carefully in the following section so that you understand what you are covered for and what is excluded.

In order to be sure that you are covered under this policy you should always contact us for approval before you incur expenses you wish to claim. If you do not, we will pay for expenses incurred to the amount we would have authorised had you asked us first.

Buildings > What's covered?

Buildings insurance is designed to cover the physical structures and fixtures that make up your buildings: from the house itself, to the garage, fences and paved driveways – even built-in appliances like showers and baths, hot water systems, air-conditioners and more.

See the list on the following pages for a detailed description of what is a Building as well as what's not.

Did you know?

The replacement value of your buildings is not the same as the market value – you do not need to include the value of the land when calculating the buildings replacement value.

Claims

Claims > What do you need to do?

No one wants things to go wrong so they have to claim on their insurance. But if you do, we'll do our best to make it as positive an experience as we can.

Hopefully you'll never have to claim – but if you do, here's some important information about the claims process. By following these simple instructions when you claim, you can make claiming easier.

And remember, we're here to help. So if you have any questions about making a claim, we'd love to hear from you. Call us using the contact details inside the front cover.

In order to be sure that you are covered under this policy you should always contact us for approval before you incur expenses you wish to claim. If you do not, we will pay for expenses incurred to the amount we would have authorised had you asked us first.

How it works > claims at a glance

How to make a claim

What you need to do	Why you need to do it
Step 1 Make sure everyone is safe 	✓ Make sure that everyone is safe
Step 2 Prevent further damage 	✓ Do what you reasonably can to prevent any further damage, loss or liability ✓ Consider calling the emergency services in your area if you need help making your property safe. By preventing further damage, you may be able to get back on your feet faster.
Step 3 Call the police (as required) 	✓ Tell the police as soon as reasonably possible about any malicious damage, theft, attempted theft, burglary or loss of insured property. Police report numbers may be a valuable part of your claim – so make sure you ask for them.
Step 4 Keep evidence 	✓ Keep evidence of loss or damage to your insured property ✓ Don't authorise repairs or replacement unless you are preventing further loss, damage or liability. The more information we have, the more likely we are to be able to process your claim successfully. If you authorise repairs, we may not be able to cover them in your claim.
Step 5 Contact us 	✓ Get in touch with us as soon as reasonably possible by lodging your claim online or calling us, telling us the full details of any loss, damage, liability or injury that you might claim for. As soon as we hear from you, we can start the claims process. We can also help you through the process.
Step 6 Provide proof of value and ownership and the amount being claimed 	✓ Examples of proof include any receipts, valuations, photographs and instruction manuals to prove value and ownership. We need proof that you own the items that you're claiming on.

What if?

You're legally liable for damage.

If you're legally liable for damages to a third party, we may be able to help. Firstly, you must not admit liability or promise to pay anything to do with the claim. If you do not, we may reduce or refuse your claim to the extent we are prejudiced by your admission or promise.

If a third party tries to sue you for damages, we can take over and defend you. How we run any negotiations, proceedings and claim settlements is at our discretion. We will act reasonably having regard to your interests, and will keep you informed if you ask us to.

If you need to make a claim for legal liability, you can write and ask us to agree that you're covered for the claim. See Legal Liability Cover on page 52.

What if?

You have to make a total loss claim.

If we pay your claim for the total sum insured for any part of the policy, or enough to pay for the total loss or destruction of all your insured property, that part of the policy will end.

If we accept your claim and pay you the total sum insured for your property, we'll deduct any unpaid premium from the amount we pay you.

For example, if you pay your annual premium in monthly instalments, we'll deduct the remaining premium for the rest of the year from your claim amount. That's because the premium is for a full year of cover – so even if you claim just a couple of months in, you still need to pay for the whole year.

If we replace or rebuild the property, you need to pay us the balance of any premium that you owe for that year.

Your responsibilities

During the claims process you need to take reasonable steps to co-operate with us, this may include;

- giving us access to your home at reasonable times and frequency so that a repairer or any other representative we choose can assess loss or damage to your home and contents
- providing us with information we reasonably request (which may include being interviewed by our representatives)
- providing us with documents we reasonably request to assist with the assessment of your claim – for example, bank or credit card statements, phone records, proof of ownership, notices or court documents, close up photographs, valuations, proof of purchase (including sales receipts).

If you do not take reasonable steps to co-operate with us we may not be able to progress or approve your claim, to the extent we are prejudiced by your failure to cooperate.

Our rights of recovery

We may be entitled to recover any claim that we've paid from the person or entity that caused the loss, damage or liability. We can decide to take legal action in your name to do so. We have full discretion in the way we conduct, settle or defend any claim made in your name. If we end up recovering more than we paid to you on your behalf, we'll pay you the balance. We will act reasonably having regard to your interests and will keep you informed if you ask us to.

How we settle your claims

Buildings claims

If we agree to cover your claim for loss of or damage to your buildings, we will pay the reasonable cost of repairing or rebuilding the damaged part of your buildings to the same condition as when it was new.

At our discretion (acting reasonably), we may:

- arrange for repairers, builders or suppliers to repair or rebuild your home, or
- pay you the reasonable cost of repairing or rebuilding your home in cash or cash equivalent.

When it is not possible to use original materials during the repair or rebuilding process, we will make best efforts to use the nearest available equivalent to the original materials.

Unless we have agreed in writing (acting reasonably), repair or rebuilding of your buildings must commence within six months of the loss or damage. If not, we will not be liable for any costs beyond the repair or rebuilding costs as at the date the loss or damage occurred. We will extend the six month period to the extent we caused or contributed to the delay in repairing or rebuilding your buildings.

What if you don't want to repair or rebuild?

If we have chosen to repair or rebuild your damaged buildings, but you don't want to repair or rebuild, we will pay you either:

- the reasonable cost to repair or rebuild your damaged buildings, less an amount for depreciation (based on the age and condition of the buildings), or
- the difference between the value of the land and buildings at the insured address immediately before and after the loss or damage occurred.

If the buildings are totally destroyed by the insured event and we agree to rebuild your buildings, rebuilding may be carried out on another site provided that we agree in writing.

Special items

These items have additional settlement conditions:

- Dividing fences, which may include gates and free-standing walls: the most we'll pay is half the cost of repairing or rebuilding, after taking into account depreciation, based on its age and condition. If a dividing fence or structure is made of trees, shrubs, hedges, plants or similar vegetation compensation will be limited to the landscaping limit of \$5000 noted under Buildings cover (if shown as insured on the policy schedule).
- Fixed wall, floor and ceiling coverings: repair or replacement is limited to the room, hall or passage in which the loss or damage actually occurred. We will make best efforts to repair the damaged areas using the nearest available equivalent to the original materials.
- Roof materials: repair or replacement is limited to the physical area where the loss or damage occurred. When repairing or replacing roof materials, we will make best efforts to use the nearest available equivalent to the original materials.

The most we will pay

The most we'll pay for damage to your buildings is the buildings sum insured, less any excess that applies (plus any additional benefits that may apply – see below).

Additional benefits

In addition to the sum insured, we may also pay some additional benefits to help with other costs related to rebuilding your building, including debris removal, surveyors' fees and more. See Buildings cover: additional benefits on pages 32 - 37 for details.

Your cover after a claim

Partial loss

If your buildings are not totally destroyed by the insured event and your buildings sum insured is only partially used up in the repair or rebuilding of your damaged buildings, your buildings sum insured will remain as it was before the claim was made.

Total loss

If your buildings are a total loss or the total buildings sum insured is exhausted, then the buildings cover under your policy will end. However, your Legal Liability cover as owner of the property will continue until the earliest of:

- six months from the date the insured event caused the damage,
- when rebuilding starts at the site,
- when you sell the land, or
- when you take out a new insurance policy at the site.

If you pay your premium:

- Annually in full – there will be no premium refund for any time left in the period of insurance for the buildings cover.
- In instalments – any remaining instalments for that period of insurance will be deducted from your claim settlement.

Contents claims

If we agree to cover your claim for loss of or damage to your contents, at our discretion (acting reasonably), we may:

- repair or replace the item (or items)
- reimburse you in cash equivalent, store credit or cash, (at our discretion) for the reasonable cost of repair or replacement of the item (or items), or
- reimburse you up to the amount of the sum insured of the item (or items).

Where we have elected to settle your claim by cash reimbursement, we consider the reasonable cost of repair or replacement to be the retail price of the item as if it were new. We will not pay the extra cost of purchasing an extended warranty on any item.

If we elect to repair or replace the item (or items) and you request payment in the form of cash instead, then we may, at our discretion (acting reasonably), decide whether to agree to your request. If we do agree, the amount of the cash settlement will be reduced by any discount that would be available to us if we were to repair or replace the item (or items). We will not apply the discount to the cash settlement if there is a reasonable and valid reason provided to us as to why a cash settlement would be more appropriate in the circumstances than repairing or replacing the item (or items) e.g. your urgent need to replace or repair the item sooner than the time we can repair or replace it.

For obsolete electrical appliances, such as outdated TVs, we may repair or replace to an equal specification (but not brand). If this is not available, it means to the nearest better specification available. It may be a different brand.

For claims with multiple items, we may pay the claim using a combination of the above options.

Special items

These items have additional settlement conditions:

- Carpet, loose floor coverings, curtains or internal blinds: repair or replacement is limited to the room, hall or passage in which the loss or damage actually occurred. We will make best efforts to repair the damaged areas using the nearest available equivalent to the original materials.

The most we will pay

The most we'll pay for loss or damage to your contents is the relevant sum insured (and any additional benefits that may be payable in addition to the sum insured – see below), less any excess that applies.

Additional benefits

We may also pay some additional benefits to help with other costs related to your claim, including debris removal.

See **Contents cover – additional benefits** on pages 41 - 44 for details.

Your cover after a claim

Partial loss

If your contents are not totally destroyed by the insured event, and your sum insured is not exhausted by the claim, your cover will continue and your sum insured will remain as it was before the claim was made.

Total loss or contents sum insured exhausted

If your contents are a total loss or the total applicable contents sum insured is exhausted then the applicable contents cover under your policy will end unless you apply for additional cover and agree to pay us any additional premium we may require.

If the contents cover under your policy comes to an end mid-term, if you pay your premium:

- Annually in full – there will be no premium refund for any time left in the period of insurance for the applicable contents cover.
- In instalments – any remaining instalments for that period of insurance will be deducted from your claim settlement.

Rent Default and Theft by Tenant, (including Legal expenses and cleaning cost claims)

If you are entitled to use bond monies to settle or reduce any loss or damage you must do so. To calculate the amount payable under this section we will deduct:

- the amount of any bond monies remaining after you have paid allowable re-letting expenses; and
- any applicable excess shown in your policy schedule

We will then settle your claim subject to the policy conditions.

Where a claim for rent default or theft by tenant is made at the same time as a claim for related legal expenses or cleaning costs the applicable excess(es) are payable once only.

How it all works > Claim examples

The following are claim settlement examples only to show you how a claim settlement may be calculated based on practical scenarios. Any actual claim settlement will depend on the facts, and circumstances of the claim and if we decide to settle your claim.

These examples do not waive your obligations or responsibilities when making a claim.

- where we are otherwise permitted to do so by law.

If you pay your premium by instalments and an instalment becomes overdue, we will cancel in accordance with the process set out in 'Your insurance premium', see page 13.

If you pay annually and you have not paid your premium or we cancel the policy for any other reason, we'll give you at least 3 business days' notice in writing before the cancellation date, either:

- in person to you or your agent
- electronically to the email address you've given us where you have agreed to receive notices electronically
- by post to the address you've given us

Cancellation costs

If your policy is cancelled, we may deduct a pro rata proportion of the premium for time on risk, plus all or part of any government taxes, levies or duties.

If you have made a total loss claim under this policy and we have agreed to the claim, we will not return any premium if the amount claimed exceeds the premium you have paid.

Renewal procedure

Each year on renewal, we'll generally send a renewal invitation and let you know the renewal cost.

For Buildings and Contents covers, we'll automatically increase the cover amount (the sum(s) insured), to help it keep pace with inflation and rising costs and helps to reduce the risk that you will be underinsured. We recommend that you check the new amounts to make sure they continue to cover your full replacement values and to make sure your insurance still meets your needs. If you don't want us to increase the sum(s) insured, just let us know.

If you pay your premium by direct debit, we'll automatically renew the policy and continue to debit your nominated bank account or credit card unless you tell us to stop.

If you pay your premium annually, you must pay the full amount by the due date shown on your renewal invitation in order for cover to continue.

GST Notice

Any dollar amounts shown in this PDS and in your policy schedule include GST (where it applies), unless otherwise stated. This includes your sum insured / limit of indemnity, other benefits we will provide limits, optional cover limits and other limits shown in the policy.

Businesses registered for GST

If you are registered for GST, or register for GST after commencement of your policy, you need to tell us:

- your Australian Business Number (ABN), and
- the percentage of the GST paid on any premiums, which you have claimed or are entitled to claim as an Input Tax Credit (ITC).

Claims settlements – amounts we will pay

Your GST registration status may have an impact on the amount that we will pay you to settle a claim.

If you are entitled to an ITC for the GST incurred on costs which you are liable for, relevant to your claim (such as services to repair a damaged item insured under the policy), we will reduce any payment to you by that ITC entitlement. Any claim settlement payments we make to third parties will also be reduced by their ITC entitlement.

This is the case – even where we've stated the settlement amount will include GST.

This includes amounts for services or replacement goods not authorised by us, for example, if you repair, rebuild or replace your insured property without our authority.

The policy does not provide any cover for any GST that you may be liable for as a result of understating or failing to provide your ITC entitlement, nor any fine, penalty or charge for incorrectly accounting for GST on claims settlements received.

Governing Law

Your policy is governed by the law of the Australian state or territory where your insured property is usually kept or is located.

Failure to comply with policy conditions

If you do not comply with the policy terms and conditions, we may reduce what we pay you by an amount to take into account any disadvantage we suffer as a result of your non-compliance.

Additional information

Conduct of others

Where a claim is made for a loss that is excluded as the result of the act of any person who is insured under the policy, we may consider certain factors that may have triggered the exclusion and we may make a discretionary decision to assist you in a way which is fair and reasonable in the circumstances. If we do this we may make a payment to you or repair, reinstate or replace an item. This will apply even though we are not legally required to pay the claim. Factors we will consider include:

1. Mental illness;
2. An act of violence or intimidation; and/or
3. When cover has been varied or terminated with malicious intent.

This clause does not apply to the liability section of the policy or form part of the terms and conditions of the policy and does not confer any contractual or other right. Any payment we may make is at our sole discretion only.
