Target Market Determination (TMD)

Effective Date: 2 April 2024

About this document

This TMD applies to the **comprehensive cover (loss or damage cover and third party property damage cover)**, **own loss or damage only cover** and **third party property damage only cover** described in the Product Disclosure Statements listed in Appendix 1 (PDSs) that have been issued by Allianz Australia Insurance Limited ABN 15 000 122 850 AFS Licence No. 234708 (the Issuer) through its underwriting agent Global Transport & Automotive Insurance Solutions Pty Ltd ABN 93 069 048 255 AFS Representative No. 240714 (GT).

The purpose of this TMD is to describe the class of customers for which the products described in the PDSs have been designed, having regard to the likely needs, objectives and financial situation of that class of customers. Examples used in this TMD are illustrative only and are not intended to be exhaustive.

This TMD is not intended to provide any financial product advice, and does not consider any individual customer's personal needs, objectives or financial situation.

This TMD does not replace the terms and conditions, and disclosures made, in the PDSs. A customer should refer to the applicable PDS before making a decision about a product.

A customer may fall within the target market described in this TMD but may not meet the Issuer's underwriting criteria on application.

For further information on the Issuer's approach to the distribution and development of products for appropriate target markets, go to <https://www.allianz.com.au>.

C. Distribution

Distribution channels

Products under this TMD may be distributed through any of the following means:

- brokers
- general advice model

All of these channels are monitored by GT (on behalf of the Issuer) and staffed by persons who have been trained in the distribution of the Products covered by this TMD and the Application Process.

Distribution conditions and restrictions

Products under this TMD can only be issued to customers that are eligible for that cover in accordance with the application and/or renewal criteria that has been approved in writing by the Issuer and which complies with the law (**Application Process**). The Issuer approves the Application Process.

The Application Process has been tailored to identify the Target Market described in this TMD as part of the eligibility criteria for the Products covered by this TMD, and the use of the Application Process would make it more likely that a Product covered by this TMD will be acquired by persons in the Target Market.

Products under this TMD can be distributed by distributors approved by GT and the Issuer (**Approved Distributors**). Approved Distributors and their systems and processes are assessed and monitored by GT (on behalf of the Issuer) and would therefore make it more likely that the Approved Distributor will comply with the terms of this TMD.

Distribution information

The Issuer requires distributors to provide the following information in relation to their distribution of products covered by this TMD:

Complaints	GT must supply all complaint information to the Issuer on a quarterly basis unless the Issuer has requested GT to report more frequently.
Sales data	GT must supply all sales and customer information to the Issuer on a quarterly basis unless the Issuer has requested GT to report more frequently.
Significant dealings	GT must, within 10 business days, notify the Issuer if it becomes aware of a significant dealing in relation to this TMD that is inconsistent with this TMD.

Other

In addition to the distribution conditions, restrictions and information set out above, the Issuer may include other conditions, restrictions and information on the distribution of products under this TMD.

Any additional conditions and restrictions will be notified (in writing) to an Approved Distributor.

D. TMD reviews

This TMD shall be reviewed as follows:

First review	Within 12 months from the date of this TMD.
Subsequent reviews	At least every three years after the end of the previous review.
Review triggers	<p>Where an event or circumstance is identified by us or is notified to us that would reasonably suggest the TMD is no longer appropriate. This may include (but is not limited to):</p> <ul style="list-style-type: none">• a material change to the design or distribution of a product, including material changes to policy documentation or the PDS;• a material alteration to acceptance criteria or underwriting criteria, and the Application Process;• identified systemic issues in the product or the distribution of the product;• relevant material external events such as relevant litigation or adverse media coverage;• relevant feedback, information or notification received from a distributor, regulator such as ASIC or APRA or other interested parties;• significant changes in metrics. These include sales, policy cancellations, lapses in renewals, claims, complaints and loss ratios; and• any significant dealings that are inconsistent with the TMD, <p>to the extent these events or circumstances reasonably suggest the TMD is no longer appropriate.</p>

Appendix

This TMD applies to the **comprehensive cover, loss or damage only cover** and the **third party property damage only cover** described in the Product Disclosure Statements (**PDSs**) listed below and any related Supplementary Product Disclosure Statements:
