

PETCOVER – COVERED FOR LIFE PET INSURANCE

Target Market Determination (TMD)

Effective Date: 4 November 2024

About this document

This TMD applies to the **pet insurance** described in the Petcover Your Dog & Cat Covered For Life Pet Insurance Product Disclosure Statement (including Policy Wording) (PCAU-ALLIANZ-PDS-Covered for Life-102024) (**PDS**) that have been issued by Allianz Australia Insurance Limited ABN 15 000 122 850 AFS Licence No. 234708 (the **Issuer**) through its agent Petcover Aust Pty Ltd ABN 97 117 479 990 AFSL No. 507143 (**Petcover**).

The purpose of this TMD is to describe the class of customers for which the products described in the PDS have been designed, having regard to the likely needs, objectives and financial situation of that class of customers. Examples used in this TMD are illustrative only, and are not intended to be exhaustive.

This TMD is not intended to provide any financial product advice, and does not consider any individual customer's personal needs, objectives or financial situation.

This TMD does not replace the terms and conditions, and disclosures made, in the PDS. A customer should refer to the applicable PDS before making a decision about a product.

A customer may fall within the target market described in this TMD, but may not meet the Issuer's underwriting criteria on application.

For further information on the Issuer's approach to the distribution and development of products for appropriate target markets, go to <https://www.allianz.com.au>.

C. Distribution

Distribution channels

Products under this TMD are no longer distributed however an existing policyholder may renew a Product covered by this TMD (a **Renewal**) by receipt of an annual Renewal letter and paying the applicable premium.

As part of a Renewal, and subject to the Issuer's underwriting and eligibility requirements, an existing policyholder may also switch to another Plan and add the Optional Covers to a Classic Plan by calling the Issuer.

These channels are monitored by Petcover (on behalf of Allianz) and staffed by persons who have been trained in the extension of the Products covered by this TMD.

Distribution conditions and restrictions

Products under this TMD can only be renewed by customers that are eligible for that Product in accordance with the eligibility criteria that has been approved in writing by the Issuer and which complies with the law (the **Renewal Process**). Allianz approves the Renewal Process.

The Renewal Process approved by Allianz has been tailored towards the Target Market described in this TMD. The Renewal Process will ensure customers are eligible for the Products covered in this TMD. The suitability of the Products covered under this TMD will be determined by the use of the Renewal Process including provision of the annual Renewal letter setting out the offering to existing customers.

Products under this TMD can be distributed directly by Petcover. Petcover and their systems and processes are assessed and monitored by the Issuer, which would make it more likely that Petcover will comply with the terms of this TMD.

Distribution information

We require Petcover to provide the following information in relation to their distribution of products covered by this TMD:

Complaints	all complaint information to the Issuer on a quarterly basis unless the Issuer has requested Petcover to report more frequently.
Sales data	all sales and customer data to the Issuer on a quarterly basis unless the Issuer has requested Petcover to report more frequently.
Significant dealings	notification, within 10 business days, if they become aware of a significant dealing in relation to this TMD that is inconsistent with this TMD.

Other

In addition to the distribution conditions, restrictions and information set out above, the Issuer may include other conditions, restrictions and information on the distribution of products under this TMD.

Any additional conditions and restrictions will be notified (in writing) to Petcover.

TMD reviews

This TMD shall be reviewed as follows:

First review	Within two years from the date of this TMD.
Subsequent reviews	At least every two years after the end of the previous review.
Review triggers	<p>Where an event or circumstance is identified by us or is notified to us that would reasonably suggest the TMD is no longer appropriate. This may include (but is not limited to):</p> <ul style="list-style-type: none">• a material change to the design or distribution of a product, including material changes to policy documentation or the PDS;• a material alteration to acceptance criteria or underwriting criteria, and the Renewal Process;• identified systemic issues in the product or the distribution of the product;• relevant material external events such as relevant litigation or adverse media coverage;• relevant feedback, information or notification received from a distributor, regulator such as ASIC or APRA or other interested parties;• significant changes in metrics. These include sales, policy cancellations, lapses in renewals, claims, complaints and loss ratios; and• any significant dealings that are inconsistent with the TMD, <p>to the extent these events or circumstances reasonably suggest the TMD is no longer appropriate.</p>
